Kennedy and how his subsequent actions in office so offended a number of powerful men and agencies that they then had the motive to plan and carry out his assassination Through careful examination of evidence including the Warren Commission Report itself the author lays out the details of the assassination Paying close attention to the weapon supposedly used by Lee Oswald Oswalds actual movements the wounds that Kennedy suffered and statements provided by witnesses the author establishes that Lee Harvey Oswald did not kill President Kennedy and that Kennedy suffered a minimum of three wounds from a minimum of three bullets coming from three different directions thus a conspiracy This book then moves to its critical juncture where it points out the Warren Commission Report omissions unsubstantiated conclusions and conclusions in direct contradiction with the very evidence it collected From the evidence the author then constructs his complete scenario of how the assassination occurred and who perpetrated it He then explains how Lyndon Johnson and J Edgar Hoover could manipulate and control the Warren Commission to report that Lee Harvey Oswald assassinated President Kennedy He concludes his book with a provocative proposal to conduct a new investigation exhume President Kennedys body and firmly establish the truth of the conspiracy beyond all reasonable doubt Read this book and learn the truth about how the American nation was deceived and duped by its highest government officials and agencies **Who Killed Kennedy?** Matthew

Smith,2013-08-29 The people of America were not satisfied that Lyndon B Johnson s presidential inquiry into the murder of President John F Kennedy in 1963 had revealed the truth This inspired a people s investigation the nature and the scale of which were unequalled It was the beginning of a quest to establish the truth which has so far taken 50 years and which still goes on Who Killed Kennedy is an exhaustive account of that quest through the eyes of a historian who has been involved in it from the very beginning It is a story of treachery lies deceit and murder As the investigation has progressed over the years the revelations have been breathtaking the facts staggering and the real story so dramatic that fiction simply cannot equal it

The Murder Trial of JFK James O. Chipman,2021-03-15 These are some of the things you will learn by reading this book After almost sixty years it is time for the world to know the truth behind the death of JFK If Kennedy had won reelection in 1964 there would not have been an American Vietnam War You will learn things about Lyndon B Johnson that you would not believe were possible John F Kennedy s assassination started a deep distrust that Americans have with their government that continues to this day A major part of this distrust happened because the government lied to us about the assassination and lied to us about the Vietnam War The conspiracy theory is what Hoover of the FBI came up with and then passed it along to the news media the public and the Warren Commission This book will tell you what really happened on November 22 1963

The Four Guns John Koerner,2024-10-29 What would our country be today if Abraham Lincoln James Garfield William McKinley and John F Kennedy had survived their assassinations Would this country and the world we live in today be better or worse What if Lincoln and McKinley had lived through their second terms What if Garfield and Kennedy had completed their four years in office and gone on to get reelected The Four Guns has three purposes First to explain the circumstances

surrounding the four assassinations and examine any evidence for possible conspiracy The second is to trace the history of the four assassination weapons readers will learn the types of firearms used how the assassins acquired them and where they are now most of this information has never been written about or made public The third purpose is to examine how American history would have changed if the presidents had survived their assassinations and to show just how much these four weapons deprived us of a better future

PLOT TO KILL PRESIDENT KENNEDY IN CHICAGO Vincent Michael Palamara, 2024-10-10 The Plot to Kill President Kennedy in Chicago and the Other Traces of Conspiracy Leading to the Assassination of JFK A Visual Investigation delves deep into one of the lesserknown yet critical elements of the Kennedy assassination the attempted plot to kill the president in Chicago just weeks before his tragic death in Dallas This meticulously researched book by renowned author Vince Palamara unveils the layers of conspiracy and negligence focusing on the overlooked narratives including the key role of the Secret Service and FBI Through riveting eyewitness accounts declassified documents and a visual exploration of the evidence Palamara uncovers details about the men involved in the plot the mistakes that allowed the Dallas assassination to proceed and the broader implications of a conspiracy that transcended a single city With interviews from former Secret Service agents and corroborated intelligence reports this book rewrites the history of Kennedy s assassination revealing a continuous thread of danger that stretched from Chicago to Dealey Plaza For anyone who wants to understand the full scope of what led to the darkest day in American history this compelling investigation is a must read

Burying the Lead Mal Jay Hyman, 2019-03-01 The Cold War ushered in a time of secrecy and willing media cooperation to keep those secrets But even after winning that war the vault of secrets remains firmly locked especially surrounding John F Kennedy s murder Even for those who fundamentally oppose the current presidential administration notions of a national security state and fake news must be examined to maintain a functional democracy This book explains the rapid decline in confidence in government that started after the assassination of JFK The mainstream media failed to go beyond repeating the official story and by 1991 they along with academe and the government had stopped investigating altogether It was filmmaker Oliver Stone whose film fueled public outrage and led to the JFK Act to declassify all of the remaining documents Almost four million pages of documents were then released that even Congress had not yet seen The JFK Act stated that all files must be released by October 2017 yet thousands are still withheld on the grounds of national security This volume examines the tight alliances that have allowed this cover up for more than 50 years President Kennedy declared in October 1963 that men who create power make an indispensable contribution to a nation s greatness but the men who question power make a contribution just as indispensable especially when they are disinterested for they determine whether we use power or power uses us

Assassination! Paul Donnelley, 2012-02 The Irish writer George Bernard Shaw called it an extreme form of censorship and indeed political assassination has often been used by the unscrupulous for ridding themselves of their enemies This book takes an in depth look at 25 of history s most infamous

assassinations and assassination attempts It contains no wild theories no mad speculation just a look at the cold hard facts surrounding some of the world s most famous killings The tales told include the assassinations of Julius Caesar John F Kennedy Robert F Kennedy Rasputin plus many more And the attempted assassinations of Ronald Reagan Adolf Hitler Pope John Paul II plus many more Each entry contains a biography of the subject detailing who they were and where they came from an in depth look at the killing a profile of the killer and a comprehensive aftermath It belongs on the shelf of every history buff and anyone with an interest in the ultimate crim
