Zucker, Moshe Reiss, 2015-08-27 Sarah Hagar Rebekah Leah Rachel Bilhah Zilpah These are the Matriarchs of Genesis A people's self understanding is fashioned on their heroes and heroines Sarah Rebekah Leah and Rachel the traditional four Matriarchs are important and powerful people in the book of Genesis Each woman plays her part in her generation She interacts with and advises her husband seeking to achieve both present and future successes for her family These women act decisively at crucial points through their actions and words their family dynamics change irrevocably Unlike their husbands we know little of their unspoken thoughts or actions What the text in Genesis does share shows that these women are perceptive and judicious often seeing the grand scheme with clarity While their stories are told in Genesis in the post biblical world of the Pseudepigrapha their stories are retold in new ways The rabbis also speak of these women and contemporary scholars and feminists continue to explore the Matriarchs in Genesis and later literature Using extensive quotations we present these women through five lenses the Bible Early Extra Biblical Literature Rabbinic Literature Contemporary Scholarship and Feminist Thought In addition we consider Hagar Abraham's second wife and the mother of Ishmael as well as Bilhah and Zilpah Jacob's third and fourth wives

An Old Testament Theology Bruce K. Waltke, 2011-04-19 The Old Testament is more than a religious history of the nation of Israel It is more than a portrait gallery of heroes of the faith It is even more than a theological and prophetic backdrop to the New Testament Beyond these the Old Testament is inspired revelation of the very nature character and works of God As renowned Old Testament scholar Bruce Waltke writes in the preface of this book the Old Testament's every sentence is fraught with theology worthy of reflection This book is the result of decades of reflection informed by an extensive knowledge of the Hebrew language the best of critical scholarship a deep understanding of both the content and spirit of the Old Testament and a thoroughly evangelical conviction Taking a narrative chronological approach to the text Waltke employs rhetorical criticism to illuminate the theologies of the biblical narrators Through careful study he shows that the unifying theme of the Old Testament is the breaking in of the kingdom of God This theme helps the reader better understand not only the Old Testament but also the New Testament the continuity of the entire Bible and ultimately God himself

The Book of Genesis in Late Antiquity Emmanouela Grypeou, Helen Spurling, 2013-03-15 The Book of Genesis in Late Antiquity: Encounters between Jewish and Christian Exegesis examines the relationship between rabbinic and Christian exegetical writings of Late Antiquity in the Eastern Roman Empire and Mesopotamia The volume identifies and analyses evidence of potential encounters between rabbinic and Christian interpretations of the book of Genesis Each chapter investigates exegesis of a different episode of Genesis including the Paradise Story, Cain and Abel, the Flood Story, Abraham and Melchizedek, Hagar and Ishmael, Jacob's Ladder, Joseph and Potiphar, and the Blessing on Judah The book discusses a wide range of Jewish and Christian literature including primarily rabbinic and patristic traditions but also apocrypha, pseudepigrapha, Philo and Josephus The volume sheds light on the history of the relationship between Jews and Christians in Late Antiquity and brings together two scholars of Rabbinics and of Eastern Christianity in a truly collaborative work The research was funded by an award from the Leverhulme Trust at the Centre for the Study of Jewish-Christian Relations, Cambridge, UK and the Centre for Advanced Religious and Theological Studies of the Faculty of Divinity, University of Cambridge, UK

Textual Mirrors Dina Stein, 2012-10-08 As they were entering Egypt, Abram glimpsed Sarai's reflection in the Nile River Though he had been married to her for years, this moment is positioned in a rabbinic narrative as a revelation Now I know you are a beautiful woman, he says at that moment he also knows himself as a desiring subject and knows too to become afraid for his own life due to the desiring gazes of others There are few scenes in rabbinic literature that so explicitly stage a character's apprehension of his or her own or another's literal reflection Still, Dina Stein argues, the association of knowledge and reflection operates as a central element in rabbinic texts Midrash explicitly refers to other texts, biblical texts are both reconstructed and taken apart in exegesis, and midrashic narrators are situated liminally with respect to the tales they tell This inherent structural quality underlies the propensity of rabbinic literature to reflect or refer to itself

and the self that is the object of reflection is not just the narrator of a tale but a larger rabbinic identity a coherent if polyphonous entity that emerges from this body of texts Textual Mirrors draws on literary theory folklore studies and semiotics to examine stories in which self reflexivity operates particularly strongly to constitute rabbinic identity through the voices of Simon the Just and a handsome shepherd the daughter of Asher the Queen of Sheba and an unnamed maidservant In Stein s readings these self reflexive stories allow us to go through the looking glass where the text comments upon itself it both compromises the unity of its underlying principles textual religious and ideological and confirms it

Theological Commentary R. Michael Allen,2011-12-15 You Are My Slaves Martijn J. Stoutjesdijk,2024-12-16 Some of the slavery parables in the New Testament have been called texts of terror as the slaves who are portrayed in them are beaten or even cut in two Despite or because their violence slavery parables are often used in early Christian and early rabbinic literature to illustrate the unique relationship between God and his people This study investigates the reasons for and meaning of using the master slave metaphor in the parables what does it tell us about early Christian and early rabbinic theology including possibilities for critique and resistance vis vis the divine and what does it say about slavery in the ancient world

The Meshalim in the Mekhiltot Lieve M. Teugels,2019-04-09 This edition of rabbinic parables meshalim in the two Mekhiltot the tannaitic Midrashim to the book of Exodus 3rd century CE has a double scholarly purpose It offers a critical synoptic presentation and study of the textual witnesses of the parables and a commentary on their meaning and function in their literary and historical context Moreover a new English translation of every parable will make the edition a useful tool for interested readers with less knowledge of Hebrew or those merely looking for a quick reference This edition which intends to be the first in a series of editions of parables in all the tannaitic works is an indispensable tool not only for scholars of Jewish texts but also for students of the New Testament and early Christian literature historians of religion in late Antiquity and those interested in similar literary genres such as fables
