## Snapping Turtletime:

*Snapping Turtle's Honor* Sherry Derr-Wille, 2004-10-01 Snapping Turtle knew Makisa would be his wife the first time he saw her His only problem was how could he make the daughter of a Shaman fall in love with a willing captive amongst her people Although promised to another Makisa felt the pull of her heartstrings when she first saw Snapping Turtle It didn't matter if he was a captive or a free man he made her feel differently than she had ever felt before When her promised husband is banished because of his treatment of her she turns to Snapping Turtle for love and security With their marriage and the child that is coming with the changing color of the leaves one more obstacle stands in the way of their happiness With the return of the buffalo so will Makisa's brother Atiko and Snapping Turtle's brother Hawk return Can their love stand the test of family loyalty

*Proxmire and the Exodus of Prairieville* Carol Muller-Funk, 2009-04-28 *Proxmire and the Exodus of Prairieville* is a story told through the eyes of prairie dogs Taking on human characteristics these remarkable creatures are forced from their home on the Kansas prairie Under the leadership of one called by the Great Creator Proxmire is told to prepare to lead his doomed village to a Promised Land of peace and safety Feeling inability in his leadership qualities he is sent an atypical sidekick a rabbit known as Potrella As the group crosses into the Sandhills of Nebraska there are moments of concern not unlike the Jewish people experienced upon entering their desert under the leadership of Moses Emotions of mystery terror heartbreak anxiety and physical pain are balanced with those of joy happiness trust and a growing respect for each other Having taught at the fifth grade level for many years I always felt an awareness of the need for literature which

would stimulate the young reader into thinking about the importance of placing faith in a Higher Being as well as raising thought to one's responsibility to live a life of morality and serving others. Prairie dogs seemed to be the perfect animals to form my story around since they are in actuality high on the list of helpless creatures facing extinction. Therefore my purpose is twofold: bringing to surface their present day plight as well as fulfilling my other intentions. It is my sincere hope that young and old alike will find a blessing in the reading of this story that it may fill hearts with hope and souls with contentment both of which I have personally found in serving the One they call The Great Creator. **American Magazine**, 1926 Just Kids From the Bronx Arlene Alda, 2024-06-04. Collected memories that evoke the history of one of America's most influential boroughs, the Bronx, through some of its many success stories. A down to earth inspiring book about the American promise fulfilled. President Bill Clinton: Fascinating. Made me wish I had been born in the Bronx. Barbara Walters: The vivid oral histories in Arlene Alda's Just Kids from the Bronx reveal what it was like to grow up in the place that bred the influencers in just about every field of endeavor today. The Bronx is where Michael Kay, the New York Yankees play by play broadcaster, first experienced baseball; where J Crew's CEO Millard Mickey Drexler found his ambition; where Neil deGrasse Tyson and Dava Sobel fell in love with science early on; and where music making inspired hip hop's Grandmaster Melle Mel to change the world of music forever. The parks, the pick up games, the tough and tender mothers, the politics, the gangs, the food for people who grew up in the Bronx: childhood recollections are fresh. Arlene Alda's own Bronx memories were a jumping off point from which to reminisce with a nun, a police officer, an urban planner, and with Al Pacino, Mary Higgins Clark, Carl Reiner, Colin Powell, Maira Kalman, Bobby Bonilla, and many other leading artists, athletes, scientists, and entrepreneurs. Experiences spanning six decades of Bronx living. Alda then arranged these pieces of the past from looking for violets along the banks of the Bronx River to the wake up calls from teachers who recognized potential into one great collective story, a film like portrait of the Bronx from the early twentieth century until today. Entertaining and informative, cherished memories from a diverse group from the Bronx. Kirkus Reviews. **George's Journey** Robin Waites, 2010-09-07. This book is the journal blog written by George Waites and his wife Robin while he was fighting a 22 month battle with pancreatic cancer. George shares his joys and pains as well as the day to day saga of chemotherapy and doctor's visits. He is very candid in his writings and reveals in depth what he learned on his journey. His words are inspirational and encouraging. As you come along on his journey, you will hopefully find the faith to sustain you through life and its various trials. **Danny and the Corporate Ladder** Scott Andersen, 2023-05-23. Danny and the Corporate Ladder is a story. It is a story a friend tells as the narrator talks about their friend. It is the intersection of the relationships in a person's life. Each of the relationships in this book takes us on a site journey where Danny, our main character, spends his time helping others: from being the first person to sign a Little League friend's broken arm to searching for an ancient fossilized shark. Danny is a good person. In the book we meet Danny's best friend when Danny is a kindergartner. What happens next is the story of a friendship. But it is also the story of falling in love. It
