his own painful past to show how acts of kindness or cruelty a parent's smile or a teacher's ridicule are all wrapped up in memories that carry the power to bless or curse us Drawing on pictures full of promise in God's Word Trent shows that we have a choice in how we react to the negative events we've experienced in the past We also have a choice every day to leave positive pictures in the lives of those we meet just as Jesus did Over a million homes have been deeply impacted by Dr Trent's powerful message of the blessing This book previously released as *Choosing to Live the Blessing* speaks to the people who may not have seen consistent love acceptance or warmth in their past and gives them hope and help in reframing those negative events into lifelong positives Filled with genuine warmth and vulnerability *Pictures Your Heart Remembers* will touch readers' hearts and challenge them to leave pictures of blessing today

**Memoirs of the Burgdorf Family Farm**

Sue Ann Woodford Cross, 2010-02 On a sunny afternoon in June 2009 I visited the Burgdorf Family Farm As I parked my vehicle in front of the house I got out of the car and walked around looking at the barns the house the fields and the orchard I even peaked through the windows wishing to see my Grandma or one of my Great Aunts or Uncles inside But no one was home they had all passed away I wiped the tears from my cheek and continued to take several pictures and remembered how much fun the farm had been as a child I returned to my car and turned it around and proceeded down the long drive way One I remember traveling often as a child When I pulled out of the drive I remember thinking I have to write a story about this place This was not just a thought in my head it was a burning desire to write about the farm and the heritage of the Burgdorfs The seed was planted and the desire to write my memoirs about the Family Farm was born I look back at the memories of the farm that I hold so dear and near to my heart and think of how two of the Brothers never left the farm and how several siblings returned to the farm after the loss of a spouse to live out the rest of their lives The heritage of The Burgdorfs is one where God and Family are the most important things in life

**Abba's Heart** Neal Lozano,Matthew Lozano,2015-07-28 Discover and Embrace the Extravagant Unconditional Love of the Father How is it that so many believers get stuck when it comes to entering into a relationship with God the Father Rather than basking in the Father s endless love compassion and delight we seem to hesitate like orphaned children unsure of a place to call home Neal Lozano breaks through the obstacles that keep us from growing in this pivotal relationship He shatters fear and estrangement in his joyful exploration of Jesus s promise to show us his Father and ours It is a heartwarming journey starting with the universal experience of loss and ending in the Father s welcoming arms as dearly loved children     This Brilliant Darkness Jeff Sharlet,2020-02-11 A luminous moving and visual record of fleeting moments of connection New York Times Book Review Editors Choice A visionary work of radical empathy Known for immersion journalism that is more immersed than most people are willing to go and for a prose style that is somehow both fierce and soulful Jeff Sharlet dives deep into the darkness around us and awaiting us This work began when his father had a heart attack two years later Jeff still in his forties had a heart attack of his own In the grip of writerly self doubt Jeff turned to images taking snapshots and posting them on Instagram writing short true stories that bloomed into documentary During

those two years he spent a lot of time on the road meeting strangers working night shifts as he drove through the mountains to see his father exploring the life and death of Charley Keunang a once aspiring actor shot by the police on LA s Skid Row documenting gay pride amidst the violent homophobia of Putin s Russia passing time with homeless teen addicts in Dublin and accompanying a lonely woman whose only friend was a houseplant on shopping trips Early readers have called this book incantatory the voice prophetic in James Agee s tradition of looking at the reality of American lives Defined by insomnia and late night driving and the companionship of other darkness dwellers night bakers and last call drinkers frightened people and frightening people the homeless the lost or merely disoriented and other people on the margins This Brilliant Darkness erases the boundaries between author subject and reader to ask how do people live with suffering      **My Sunday Book of Pictures.
