Moore, 2015-01-24

The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here *A Concise Companion to American Fiction, 1900 -*

1950 Peter Stoneley, Cindy Weinstein, 2008-04-15 An authoritative guide to American literature this Companion examines the experimental forms socio cultural changes literary movements and major authors of the early 20th century This Companion provides authoritative and wide ranging guidance on early twentieth century American fiction Considers commonly studied authors such as Faulkner Fitzgerald and Hemingway alongside key texts of the period by Richard Wright Charles Chesnutt Zora Neale Hurston and Anzia Yezierska Examines how the works of these diverse writers have been interpreted in their own day and how current readings have expanded our understanding of their cultural and literary significance Covers a broad range of topics including the First and Second World Wars literary language differences author celebrity the urban landscape modernism the Jazz Age the Great Depression regionalism and African American fiction Gives students the contextual information necessary for formulating their own critiques of classic American fiction

Detectives in the Shadows Susanna Lee, 2020-08-04 A century of American history reflected in the iconic private eye Steadfast in fighting crime but operating outside the police force and sometimes even the law is the private detective Driven by his own moral code he is a shadowy figure in a trench coat standing on a street corner his face most likely obscured by a tilted fedora a lit cigarette dangling from his hand The hard boiled detective is known by his dark past private pain and powers of deduction He only asks questions never answers them In his stories he is both the main character and the narrator America has had a love affair with the hard boiled detective since the 1920s when Prohibition called into question who really stood on the right and wrong side of the law And nowhere did this hero shine more than in crime fiction In *Detectives in the Shadows* literary and cultural critic Susanna Lee tracks the evolution of this truly American character type from Race Williams to Philip Marlowe and from Mike Hammer to Jessica Jones Lee explores how this character type morphs to fit an increasingly troubled world offering compelling interpretations of *The Wire* *True Detective* and *Jessica Jones* Suddenly in the present day the hard boiled detective wears his or her fatigue outwardly revealing more vulnerability than ever before But the detective remains resolute in the face of sinister forces ever the person of honor For anyone interested in crime fiction and television or for those wanting to understand America's idolization of the good guy with a gun *Detectives in the Shadows* is essential reading
