Kevin Ambrose, 2013 On the evening of January 28 1922 several hundred people fought their way through the greatest snowstorm in Washington s history to see a show at the Knickerbocker Theater the city s largest and most modern moving picture theater of the time Unbeknownst to the theater patrons the Knickerbocker Theater s flat roof was tremendously burdened by the weight of the snow During the show s intermission the snow covered roof crashed down upon the crowd As the roof fell it collapsed the theater s balcony and pulled down portions of the surrounding brick walls killing 98 people and injuring 133 Some of Washington s prominent politicians and business owners were among the casualties The disaster ranks as one of Washington s worst in history and the snowstorm continues to hold the record for Washington s single greatest snowfall      *Storm Data* United States.
