## **Snow White In New York:**

**Snow White in New York** Fiona French, 1986 A fractured fairy tale of Snow White      **Focus on Comprehension - 3**  
Louis Fidge, 1999 Focus on Comprehension offers three levels of differentiated activities designed to help children develop a wide range of comprehension skills Already a popular solution for SATs comprehension practice this new program follows the range of texts and objectives required by the National Literacy Strategy Framework for Teaching      **The Fairest of Them All** Maria Tatar, 2020-04-07 Versions of the Snow White story have been shared across the world for centuries Acclaimed folklorist and translator Maria Tatar places the well known editions of Walt Disney and the Brothers Grimm alongside other tellings inviting readers to experience anew a beloved fantasy of melodrama and imagination      **Critical and Creative Perspectives on Fairy Tales** Vanessa Joosen, 2011 An intertextual approach to fairy tale criticism and fairy tale retellings Marcia K Lieberman s Some day my prince will come Bruno Bettelheim s The uses of enchantment Sandra M Gilbert and Susan Gubar s The madwoman in the attic      **The Routledge Companion to Picturebooks** Bettina Kümmerling-Meibauer, 2017-12-06 Containing forty eight chapters The Routledge Companion to Picturebooks is the ultimate guide to picturebooks It contains a detailed introduction surveying the history and development of the field and emphasizing the international and cultural diversity of picturebooks Divided into five key parts this volume covers Concepts and topics from hybridity and ideology to metafiction and emotions Genres from baby books through to picturebooks for adults Interfaces their relations to other forms such as comics and visual media Domains and theoretical approaches including developmental psychology and cognitive studies Adaptations With ground breaking contributions from leading and emerging scholars alike this comprehensive volume is one of the first to focus solely on picturebook research Its interdisciplinary approach makes it key for both scholars and students of literature as well as education and media      **Children's Literature and Learner Empowerment** Janice Bland, 2013-07-22 Children s literature can be a powerful way to encourage and empower EFL students but is less commonly used in the classroom than adult literature This text provides a comprehensive introduction to children s and young adult literature in EFL teaching It demonstrates the complexity of children s literature and how it can encourage an active community of second language readers with multilayered picturebooks fairy tales graphic novels and radical young adult fiction It examines the opportunities of children s literature in EFL teacher education including the intertextuality of children s literature as a gate opener for canonised adult literature the rich patterning of children s literature supporting Creative Writing the potential of interactive drama projects Close readings of texts at the centre of contemporary literary scholarship yet largely unknown in the EFL world provide an invaluable guide for teacher educators and student teachers including works by David Almond Anthony Browne Philip Pullman and J K Rowling Introducing a range of genres and their significance for EFL teaching this study makes an important new approach accessible for EFL teachers student teachers and teacher educators      *Picture Books for the Literacy Hour* Guy

Merchant, Huw Thomas, 2013-12-19 First Published in 2000 Over the last 30 years growth in the popularity and provision of books for children has been remarkable The quality and inventiveness of children's authors and illustrators have led some to think of the picture book as a new art form This book is a celebration of some of this work and it concentrates on the potential that picture books have for the teaching and learning of literacy The aim of this book is to encourage colleagues to take a closer look at some of their favourite picture books and to see how they can be used as a starting point for enjoyable and challenging literacy work in primary classrooms Believing that teachers do not need to rely on schemes to structure their English curriculum and with this in mind this book includes 24 popular titles that have been identified in terms of their potential for delivering exciting text sentence and word level work Written to be used as a resource and anticipate that many readers will be most interested the commentaries on the picture books contained in Chapters 3-7 and the accompanying photocopiable activity sheets

*Children's Books from Other Countries* Carl M. Tomlinson, 1998-01-15 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi-national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children's Books from Other Countries is a complete and current guide to international children's literature The concept of a bibliography of international children's literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children's books Children's Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children's literature movement related books and awards and basic information about the International Board on Books for Young People (IBBY) and its American branch the United States Board on Books for Young People (USBBY) An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0-14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for librarians and teachers and other professionals working with children Sponsored by the United States
