pay for From the Inside Out also contrasts diaries from two distinct Mennonite communities in Canada The Swiss American Mennonites in Waterloo County Ontario faced rapid urbanization while the Dutch Russian Mennonites in southern Manitoba maintained their more rural environment The diaries mirror their writers preoccupations with work and weather but they also reveal a community s social structure and round of activities such as weddings funerals and worship services In the process of diary keeping the writers sought to make sense of a dynamic and often unpredictable world Reading what they chose to record is to learn much about their culture Their writings provide glimpses of their lives their collective mindset and their history as a people
