them The Emerald Home Run is a true story which combines the Bible and a book author Steven A Janda wrote about the parables of Christ in 2008 entitled Ready or Not Here I Come Suddenly says Janda I began to notice many interesting parallels in Major League Baseball On April 15 2009 Ken Griffey Jr hit his 613th career home run The Emerald Home Run after returning to the Seattle Mariners from a nine year absence with the Cincinnati Reds and briefly with the Chicago White Sox As soon as Griffey hit the home run Hall of Fame Announcer Dave Neihaus said this was Griffey's 400th home run as a Mariner Instantly says Janda I remembered Moses who delivered the children of Israel after 400 years of bondage to the Egyptians The author reveals numeric mysteries including how Revelation appears in Genesis how the tribes of Israel in the Law of Moses are joined numerically to Genesis and revealed in Major League Baseball by the Gregorian calendar And children will love the secret formula for multiplying certain number patterns into millions without a calculator The revelations in this book have never appeared in text books The Emerald Home Run is truly an arithmetic lesson for the whole world to enjoy Do not be left behind About the Author Steven A Janda of Renton Washington invites readers to learn about the Babe Ruth 999 Mystery and much more at [www EmeraldHomeRun.blogspot.com](http://www.EmeraldHomeRun.blogspot.com) Publisher's Web site [http://www strategicpublishinggroup.com](http://www.strategicpublishinggroup.com) title TheEmeraldHomeRun.htm

*Rules Don't Work for Me* Gail Summers, 2021-11-15 It is tough to succeed in these days whether it's the business of life or the business of business It can be especially tough for outliers Here is the personal code for success for one outlier Of course it all depends on how one defines success If success means happiness at home and in the workplace this is the code for you In this book we will explore nine principles to live and work by from an outlier perspective This is not saying these principles and this personal code are the only way They are just one way The hope is that you will find your own way and embrace your own outlierness and uniqueness The principles are Know Thyself Develop Courage Develop Mastery Grow Your Pennies Be Tenacious Have Faith Lead the Way Challenge the System and Save the World Along with these principles the author will share a little of her story and stories from clients who came to her for career coaching I have changed the names of clients to protect their confidentiality Perhaps you wonder What is an outlier There is no one perfect definition It means you may think different than others or feel left out or you don't relate to the status quo or the status quo makes no sense It may mean that whenever you follow whatever rules are set for you that those same rules don't seem to work for you Consider rethinking the rules
