**It's a Funny Game** Sean Fraser,2009 **Seriously Funny** Samuel Schmidt,2014-03-06

Political jokes exist around the world and across many types of political systems But what purposes do they serve Do they have an impact on politics or on politicians Surprisingly scholars have paid scant attention to these significant questions And until the publication of this book no one had ever systematically studied political humor in Mexico When the first edition of this work was published in Mexico it caused a stir Elected officials it turned out had grudgingly accepted that they and their politics could be the target of jokes uttered in public and even on television but they were incensed that a leading academic had collected political jokes into a book and analyzed their function in a country that had experienced nearly a century of one party rule Now available in English for the first time Seriously Funny is a groundbreaking work Its goal is to examine the ways in which political humor including nicknames anagrams poems and parodies of religious prayers in addition to jokes has developed and operated in one country over more than four centuries Although political humor thrives in Mexico it is often cleverly encoded so that it doesn't appear to be critical of government policies or officials But writes Samuel Schmidt that is precisely its purpose to question the actions and assumptions of the party in power Schmidt argues persuasively that political jokes are acts of minor rebellion their objective is not to overthrow a government but to correct its mistakes

**The Funny Assassin** Charlie Hogg,2024-01-05 Meet Billy Doyle a skilled military Ops Specialist turned

uproarious stand up comedian His days of combat may have taken a backseat to laughter but his fighting spirit hasn't hung up its boots just yet In a twist of fate his comedic routine catches the eye of a British Intelligence Officer especially when Billy effortlessly fends off thugs post show This act of valour swiftly lands him a new gig melding his military prowess with his comedic charm in the covert world of espionage Billy's debut in the cloak and dagger realm involves investigating and possibly eliminating the nefarious Lord Carmthen the mastermind of a grand blackmailing empire stationed right out of London As Carmthen's dark money fuels a drug syndicate stretching across South America Billy finds himself chasing shadows from the bustling heart of South Florida to the sun-kissed shores of the Caribbean Infiltrating the cartel isn't a laughing matter but Billy's comedic facade proves to be an unexpected asset in a world where trust is a rare commodity As he delves deeper into the underbelly of the drug trade entangling with the cartel's members his mission morphs into a crusade to cripple the cartel's stronghold But the stakes are sky-high and the moments of peril Billy faces demand far more than punchlines to navigate Every covert operation drags him further into a deadly game where missteps could be fatal and trust could be a mirage The only constant companion Billy has is danger and his only armour is his undying resolve to dismantle the tendrils of corruption and hopefully live to tell the tale
