Negro Literature & History Schomburg Center for Research in Black Culture,1962 Quest for an American Sociology Fred H. Matthews,1977-01-01 **The Background of Immigrant Children** Ivor Morrish,2021-11-29 First published in 1971 The Background of Immigrant Children offers a deeper understanding of the diversity and richness of the customs cultures and religious convictions of the minority groups in a multiracial society Ivor Morrish argues that in order to go beyond the mere tolerance of the other groups it is becoming one of the important functions of the teacher to assist in the development of social awareness in his pupils and this must include a sympathetic involvement in the cultural ideas and outlook of groups from all over the world This book is an attempt to introduce the teacher in training to three of the main coloured immigrant groups in Britain West Indians Indians and Pakistanis and to some of the problems that culture contact poses This book will be a useful resource for scholars and researchers of education multiculturalism sociology and social anthropology *Routledge Handbook of Social Psychology of Tourism* Dogan Gursoy,Sedat Çelik,2022-05-22 The impacts of tourism an increasingly crucial area of study amongst researchers are primarily investigated through economic socio cultural or environmental perspectives The social psychological effects of tourism have not been adequately researched despite often being much more important for many destinations especially where conflicts among different stakeholders exist This book investigates the social psychological effects of tourism within the scope of social psychology theory This book introduces the concept of social psychology as distinct from psychology and sociology and its relationship to tourism examines tourism within various theoretical frameworks e g career ladder theory and Maslow s 7 hierarchy explores the ways in which tourism changes attitudes and finally investigates social psychological issues in tourism business It is an important resource for advanced undergraduates graduate students and relevant practitioners in the field of tourism and in some cases for a broader public in the field of social psychology Reflections on the Extreme Right in Western Europe, 1990-2008 Christopher Husbands,2020-05-26 During the last three decades or so there has been a significant growth of extreme right

voter support in Europe and elsewhere in the world The chapters in this book look at an earlier period before most of this increase Comprising eight previously published articles or book chapters and two hitherto unpublished studies this book gives extended accounts of the major extreme right political parties or movements in a number of west European countries looking both at their antecedents and also at their support and significance in the 1980s and early 1990s The countries covered in detail are France the Federal Republic of Germany old and new regions the Netherlands Belgium Switzerland and Austria During the last three decades some earlier parties of the extreme right in these west European countries have disappeared into oblivion to be superseded by replacements others have survived and flourished Given the date when most of these chapters were written they are now to be regarded as contributions to a modern history about the status and relevance of the respective parties or movements The book also includes an introductory essay that discusses issues arising from the disputed labelling terminology used to describe such parties and identifies themes that feature in the more recent literature about the subsequent and current state of the extreme right in Europe The book will be of particular interest to researchers on the contemporary politics of the extreme right in Europe as well as being a valuable resource for those teaching courses on this topic or on general political sociology Conflict in Society A. V. S. de Reuck, Julie Knight, 2009-09-16 The Novartis Foundation Series is a popular collection of the proceedings from Novartis Foundation Symposia in which groups of leading scientists from a range of topics across biology chemistry and medicine assembled to present papers and discuss results The Novartis Foundation originally known as the Ciba Foundation is well known to scientists and clinicians around the world

The Psychology Book ,2014-02-06 The Psychology Book clearly and simply explains more than one hundred groundbreaking ideas of the great scientists and thinkers who contributed to the development of psychological thought Using easy to follow graphics and artworks succinct quotations and thoroughly accessible text The Psychology Book makes abstract concepts concrete The Psychology Book includes innovative ideas from ancient and medieval thinkers ranging from Galen and Rene Descartes to the leaders of psychotherapy such as Sigmund Freud and Abraham Maslow The voices that continue to shape modern psychology from Nico Fridja to David Rosenhan are also included giving anyone with an interest in psychology an essential resource to psychological thinking and history The Psychology Book includes More than 100 key ideas and principles in psychology from antiquity to present day Brief biographies and context boxes to give the full historical context of each idea A reference section with a glossary of psychological terms and a directory of psychology s great thinkers The clear and concise summaries graphics and quotations in The Psychology Book will help even the complete novice understand the fascinating world of psychological thought Muslims in India Qamar Hasan, 1987 The work is unique in the sense that it has not only delved into historical antecedents of the contemporary attitudes of the new generation of Indian Muslims but has also brought out their adjustment mechanisms and reactions to the demands which are made upon them from a section of the majority For the understanding of different aspects of behaviour of the minority vis a vis the majority

the author has liberally drawn upon the relevant literature of three branches of social sciences viz Psychology Sociology and Political Science The studies of minority majority relations elsewhere are referred to for making the reader aware that to a very large extent minorities wherever they are found behave in the similar way Reviews The perspective offered by the author in the present study augurs well for the cause of nation building in the specific context of the persisting and ever elusive communal problem in India Prof Iqbal Narain The publication is so fascinating that I read more than half by the time I reached Lucknow Prof H S Asthana The first full length study of the mass psychology of the Muslim mind after Mujib s The Indian Muslims Qamar Hasan has used the tools of academic research to study the Muslim factor in Indian Politics read it because it is a same voice in the madness all around Tapan Basu Sunday The book clearly brings out reactions indicative of fear of domination and urge to dominate the book has made a definite contribution in the understanding of inter and intra group relationships Pramod Kumar The author must be complimented for his bold and frank revelations about the attitudes of Muslims and Hindus towards each other their self appraisals and their assessment Dr K Ravichandra Review Projector Vol VIII Nos 10 12 The causes and cures of the serious problems bedevilling relations between the Muslim minority in India and the Hindu majority badly need studying within a socio psychological framework Qamar Hasan is on the right track for a social scientist to throw light on the problems of his people but he needs to settle on just one frame of reference and typology and then test some bolder hypotheses
