## **Social Class The Nominal Group And Verbal Strategies:**

**Social Class, the Nominal Group and Verbal Strategies** P R Hawkins, 2022-08-01 First published in 1977 Social Class the Nominal Group and Verbal Strategies reports on the results of a grammatical analysis of the speech of a large sample about 300 of five year old middle and working class children The author is concerned in particular to answer the questions What is the relationship within certain restricted contexts between the use of particular grammatical structures and factors such as social class IQ and sex How are any differences in the type or frequency of structures to be interpreted The central part of the book presents the results of a set of correlations the correlations of linguistic categories on the one hand with sociological or background categories on the other The author then sets this study and its results in the perspective of related research and comments on some aspects of the deficit difference controversy Finally he presents his own conclusions in a detailed discussion He argues that instead of trying to ascertain the purely linguistic competence of children from different backgrounds we must rather compare the different verbal strategies they use in a particular situation or context The book will be of interest to students of language linguistics pedagogy and education *Routledge Library Editions: Linguistics Mini-set A General Linguistics* Various, 2021-08-05 RLE Linguistics Mini set A focuses on the field of General Linguistics and collects classic titles from imprints such as Garland Allen Unwin and Croom Helm A variety of important international linguists are featured The titles are The Chomsky Update The Conceptual Basis of Language Foundations of General Linguistics Ideologies of Language Learning about Linguistics Lexical Phonology and Morphology The Linguistic Description of Opaque Contexts Linguistic Meaning Redefining Linguistics A Theory of Stylistic Rules in English Universal Grammar *Routledge Library Editions: Linguistics* Various, 2021-12-02 Routledge Library Editions Linguistics brings together as one set mini sets or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from Applied Linguistics and Language Learning to Experimental Psycholinguistics and Sociolinguistics Today International Perspectives this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field *Routledge Library Editions: Sociolinguistics* Various Authors, 2021-02-25 Reissuing works originally published between 1978 and 1992 this collection includes books across the span of sociolinguistics from its theory and philosophy to specific language change study This small set will be of benefit to sociology and linguistics but also to psychology media and communication education and development studies *Problems of a Sociology of Knowledge (Routledge Revivals)* Max Scheler, 2012-11-12 First Published in 1980 Manfred S Frings translation of Problems of a Sociology of Knowledge makes available Max Scheler s important work in sociological theory to the English speaking world The book presents the thinker s views on man s condition in the twentieth century and places it in a broader context of human history This book highlights Scheler as a visionary thinker of great intellectual strength who defied the pessimism that many of his peers could not avoid He comments on the isolated fragmented nature of man s existence in

society in the twentieth century but suggests that a World Age of Adjustment is on the brink of existence Scheler argues that the approaching era is a time for the disjointed society of the twentieth century to heal its fractures and a time for different forms of human knowledge to come together in global understanding
