

The background of the poster is a composite image. At the top, a large, semi-transparent profile of a man's head (Father Vincent Robert Capodanno) is shown, looking towards the right. Below his head, a bright beam of light emanates from his forehead, shining down onto a group of soldiers in a jungle setting. The soldiers are in a defensive position, surrounded by smoke and fire. The overall color palette is dominated by warm, golden-yellow and orange tones, suggesting a dramatic and heroic atmosphere.

Ministry of Presence Winnifred Fallers Sullivan, 2014-08-20 Most people in the United States today no longer live their lives
under the guidance of local institutionalized religious leadership such as rabbis ministers and priests rather liberals and
conservatives alike have taken charge of their own religious or spiritual practices This shift along with other social and
cultural changes has opened up a perhaps surprising space for chaplains spiritual professionals who usually work with the
endorsement of a religious community but do that work away from its immediate hierarchy ministering in a secular
institution such as a prison the military or an airport to an ever changing group of clients of widely varying faiths and beliefs
In *A Ministry of Presence* Winnifred Fallers Sullivan explores how chaplaincy works in the United States and in particular
how it sits uneasily at the intersection of law and religion spiritual care and government regulation Responsible for
ministering to the wandering souls of the globalized economy the chaplain works with a clientele often unmarked by a
specific religious identity and does so on behalf of a secular institution like a hospital Sullivan's examination of the sometimes
heroic but often deeply ambiguous work yields fascinating insights into contemporary spiritual life the politics of religious
freedom and the never ending negotiation of religion's place in American institutional life **Heroes from the Wall** John
Douglas Foster, 2012-02-07 When the author John Douglas Foster was wounded while serving in Vietnam during the 1968 Tet
Offensive he received more than a piece of metal in his body haunting memories of comrades opened his soul in a quest to
learn more about those who didn't return Sketching a fascinating portrait of the lives of those who fought and died valiantly
Foster pens a riveting and gut wrenching read in *Heroes from the Wall* A clear eyed tale of truly honorable individuals who
were not just mere names numbers and statistics *Heroes from the Wall* ensures that these unsung heroes will never be
forgotten by future generations who didn't know them on the battlefield Foster seamlessly captures their quirks of personality
playful antics heroic actions compassion and care for others their caring and sharing with their comrades tender concern for
their family and affirmation of life while engulfed in places of death Leaving readers with a newfound respect for the
nameless heroes upon turning the pages Foster writes with candor and resonating tone Dragon Force R.D.
