Berry,2015-03-12 He turned into the lane leading to home serenaded by the haunting sigh of the breeze in the branches of the trees above As he ambled along the rustling leaves above personified the sound of whispered voices He paused and looked up the constantly changing mosaic patterns of the leaves on the swaying branches the fleeting glimpses of sunlight down on him He contemplated the eerie sounds convincing himself he had allowed his imagination to run away with him While he was standing quietly there the muttering sounds became clearer the names Vicky and Jamie clearly drifting down through the confusion of whispering voices **The Guardians of Celesk - Part One** R.I.Lockett,2023-11-06 It came during the most desperate of times after a reign of bloodshed It thundered on in spite of terror hopelessness and the great chain of inequity It shattered shackles and in its momentum gathered all in its wake It was hope In the new era it rewrote the narrative and finally set the world free Yet in the new age the tides of war and revolution bring an old enemy of the Guardians the Exile who will destroy their sanctum and wreak destruction upon their lands Their only hope lies in the form of a powerful child and she will need to be trained The Harold Project Judy Canter,2023-07-13 Harold was born with the ability to connect to the ancient life energy lost by humans because of their selfish materialistic behaviors He grows up supported by gnomes sent by Mother Earth to help humans reconnect to life energy and stop their destructive actions that are killing the earth So he starts growing vegetables that people say give them peace and harmony after consuming them But are these vegetables magical Harold surrounds himself with his gardens seldom emerging until his wife is taken from him by the Guardians and an evil force tries to kill him Suddenly he starts to care about the future of the earth and works to help people reconnect and care about their futures The Guardians come to earth to help humans understand the consequences of their actions reconnect with the life energy and heal the earth But most humans resist The earth is dying and time is running out for humans Will they care enough to heal the earth or will life continue without them **The Guardians of Ascension Series, Books 1-3** Caris Roane,2015-05-05 Fall under the spell of the first three books in the Guardians of Ascension series
