**Guide to South African Reference Books** Reuben Musiker, Naomi Musiker, 1997 Only a small proportion of the more than 1 100 entries have been retained from the earlier editions and supplements 1955 to 1983 more publications reflecting social and economic changes in South Africa have been included and the annotations are more extensive The main focus is on references such as dictionaries yearbooks and encyclopedias but handbooks manuals and histories are cited if no conventional references exist on the subject The selection is not limited to books published in South Africa The arrangement is by broad subject headings following the Dewey Decimal system The annotations are primarily descriptive but evaluations creep in now and again Distributed by Books International Annotation copyrighted by Book News Inc Portland OR

**African Books in Print** ,1978      **The Gun and You** Hilton Hamann, 1990-01-01      *Your Security in South Africa* Craig B. Roseveare, 2017-09-11 This book is primarily about securing your home against potential unwanted intruders and keeping your family safe The rise in violent crime affecting my country stems directly from an increase in criminal behavior and farm attacks resulting in loss of innocent lives in my country The message in this book goes out to all innocent law abiding citizens of South Africa It is time to take a stand and prepare yourselves against becoming victims of the lawlessness plaguing our country The authorities themselves face great challenges numerous obstacles and insufficient support As a result we are losing the battle against all crime and particularly violent crime It is now up to individual citizens to change their mind set and become unbeatable adversaries of the criminal element I don't advocate vigilantism or breaking the law in order to achieve this What I suggest instead is that people need to develop the mental and physical skills to avoid violence in the first place and then if necessary use a level of violence higher than that which would be imposed on them in a conflict situation      *The NRA Step-by-Step Guide to Gun Safety* Rick Sapp, National Rifle Association, 2016-04-05 Having shaped our nation since its birth guns are an integral part of American life As more and more Americans choose to own firearms it becomes increasingly important to educate them on proper shooting and handling techniques Drawing on the National Rifle Association's more than two centuries of shooting experience as well as the collected knowledge of more than 55 000 certified instructors The NRA Step by Step Guide to Gun Safety offers key and life saving advice on using caring for and storing handguns rifles and shotguns Packed with essential information and resources including details on how propellants burn in cartridges shooting etiquette on and off the range and where to find a certified NRA shooting instructor The NRA Step by Step Guide to Gun Safety will help reinforce the importance of safe gun handling habits Included is information on The safest and most effective way to store and transport pistols rifles and shotguns The anatomy of the many kinds of guns available The proper way to reload any firearm The best way to clean your gun Proper use of eye and ear protection The correct clothing to wear while hunting Whether you are an experienced shooter or haven't shot a round in your life The NRA Step by Step Guide to Gun Safety will provide new and enlightening information that will make you and your family safer gun
