Kamada whose mother Tara is a prostitute solicited by wealthy men in Mumbai prefers to live in her own world of magic where her imagination shields her from her reality She is on a mission to escape the streets of the city and her mother's house which feels like a prison Only her magical friends a parrot astrologer who tells of the future and a neighbouring family know that her dream is to leave home to study in America for which she has been conscientiously making arrangements studying for the GRE collecting all the necessary documents and taking care of the finances As she plans her escape the 16 year old's world is turned upside down when her mother reveals a secret adding to the many upheavals already assailing her teenage mind Will her dream and the future she envisages for herself in a faraway land come true Praise for The Prostitute's Daughter While reading this book I was wishing I could reach out to Kamada and tell her that everything will be okay in the end A lovely bit of writing Maria Goretti author food blogger and former MTV VJ Kamada's means of escape is the blue folder she carries everywhere She also escapes via her own imagination which conjures fantasy creatures everywhere animates the fruits at vending stalls and lends voices to the city's potholes It's this overlay of fantasy always evocatively but matter of factly interwoven with the real world narrative that lends the book its greatest charm The sheer manic detail of it all speaks eloquently of Kamada's fever pitch desperation for a new life and its resolution at the book
