

Handbook of Jewish Liturgy

There are a number of books that describe
the meaning of, and the proper manner of
performing, the various services of the Jewish
religion. It is necessary, however, to have
a book that gives a complete and accurate
description of the services of the Jewish
religion, and the proper manner of performing
them. This book is the only one of its kind
that gives a complete and accurate description
of the services of the Jewish religion, and
the proper manner of performing them.
