Historical Dictionary of the Republic of Korea Andrew C. Nahm,James Hoare,2004 This dictionary presents a balanced and objective view of South Korea providing a long perspective and covering varied aspects of South Korean life Domestic political and social events foreign affairs economic and cultural developments and the men and women who have influenced the country s history are reviewed in the more than 400 entries many of which are new or have been updated from the first edition The dictionary s chronology and historical narrative also updated cover the entire history of Korea for the benefit of readers who have little or no knowledge of the overall history of the Korean people The extensive bibliography has been updated to include the most current and best books journals and websites making this a valuable reference source for the scholar student and general reader *Handbook for Asian Studies Specialists* Noriko Asato,2013-10-08 An indispensable tool for librarians who do reference or collection management this work is a pioneering offering of expertly selected print and electronic reference tools for East Asian Studies Chinese Japanese and Korean Handbook for Asian Studies Specialists A Guide to Research Materials and Collection Building Tools is the first work to cover reference works for the main Asian area languages of China Japan and Korea Several leading Asian Studies librarians have contributed their many decades of experience to create a resource that gathers major reference titles both print and online that would be useful to today s Asian Studies librarian Organized by language group it offers useful information on the many subscription based and open source electronic tools relevant to Asian Studies This book will serve as an essential resource for reference collections at academic libraries Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on all three countries into one work or are written in English And unlike the other resources available this work provides the insight needed for librarians to make informed collection management decisions and reference selections Historical Dictionary of the Republic of Korea James E. Hoare,2020-10-13 South Korea Republic of Korea is the more successful of the two Koreas in both economic and political terms Even the Asian economic crisis of 1997 1998 which hit badly was weathered successfully and when the next crisis came along in 2007 South Korea coped better than many other countries This economic strength taken with the steady progress of democratization since 1987 indicates that when the peninsula is eventually reunified as one day it probably will be a new unified Korea will follow the South Korea model rather than that of North Korea This fourth edition of Historical Dictionary of the Republic of Korea contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Republic of Korea

1969 include index **Historical Dictionary of Democratic People's Republic of Korea** James E. Hoare,2019-09-04 As Kim Jong Un approaches the seventh anniversary of his coming to power he has pushed the military back The modified Constitution adopted in 2016 saw the demotion of the National Defense Council in favor of a new State Affairs Council which was a more party and government dominated body He has put his own men and women into positions of authority Sanctions are an irritant yet are already weakening as a result of first ever meeting between a DPRK leader and a U S president took place in June of Singapore as well as a string of North South meetings covered issues such as family reunions and railway and road connections Military talks also led to the demilitarization of Panmunjom Since then Japan wants to talk and even the Pope may visit This second edition of Historical Dictionary of Democratic People s Republic of Korea contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Democratic People s Republic of Korea **Korean Studies** ,2001

Cumulative Bibliography of Asian Studies, 1941-1965: India-M ,1970 **North Korea in the 21st Century** J.E. Hoare,Susan Pares,2021-11-15 North Korea is not easily accessible but boasts some of the most beautiful scenery in the Korean Peninsula and arguably in East Asia Travel to and in the Democratic People s Republic of Korea is tightly controlled while political economic social and cultural life is played out in terms of a not readily understood philosophy known as juche The country maintains a watchful and often defiant relationship with the rest of the world and insists on following its own standards and norms at all times Nonetheless North Korea is slowly adjusting to the great changes that have taken place since the collapse of the Soviet Union One important expression of this softening of attitudes is its willingness to allow a greater number of foreigners to enter and live in the country In the belief that it is better to try to understand than to routinely condemn the authors have attempted to interpret what they observed around them during their almost two year stay in the DPRK setting up the first British Embassy in Pyongyang the story of which is to be found in Part III of this book The country s reputation as a difficult partner in world affairs could not be ignored but for them that was never the whole story Here was a society operating certainly along very different lines but which in its essentials was recognizably Korean The contents cover North Korean politics the economy the role of history society cultural values and visiting and living in the DPRK **Scientific and Technical Manpower in China** United States.
