

The Martini Henry Modification

Barrie Hughes

The Martini Henry Modification:

The Martini-Henry Modification Barrie Hughes,1978-01-01 **The Martini-Henry Rifle** Stephen Manning,2013-05-20 The breech loading single shot 458in Martini Henry rifle has become a symbol of both the Anglo Zulu War of 1879 and the numerous battles in Egypt and the Sudan in 1884 85 but continued to be used by both British and colonial troops well into the 20th century Its invention and introduction into British service were in direct response to the success of the Prussian Dreyse needle gun which demonstrated that the breech loading rifle offered faster loading improved accuracy and superior range significantly the weapon could be loaded and fired from a prone position thus offering the rifleman greater security on the battlefield Due to the longevity of service many Martini Henry rifles survive today both in museums and in private collections and the weapon is highly prized by shooting enthusiasts Featuring specially commissioned full colour artwork and an array of arresting first hand accounts and written by an authority on warfare in the Victorian era this engaging study tells the story of the powerful Martini Henry and its impact on the battlefield from the Anglo Zulu War to the opening months of World War I *The Plough & the Sword* Johannes H.L. Bosman,2011-05-26 I became intrigued by an excerpt I read in the Pretoria news circa twenty years ago where it was reported that there is a graveyard in a town named Ambala near New Delhi India which contain the mortal remains of eighteen Boer Prisoners of war I built the novel around these men The book is largely based on fact and could not have been written without giving credit to various authors who have written about this war Both factual and fictional characters and events are intertwined in a sequence captured within the timeline The Lee-Enfield Rifle Martin Pegler,2012-01-20 The Lee Enfield is one of the 20th century s most recognisable and longest serving military rifles It was adopted by the British Army in 1895 and only replaced by the L1A1 SLR in 1957 It saw combat from the Boer War onwards and thousands are still in use today it is estimated that 17 million have been produced Soldier s recollections of the rifle are overwhelmingly affectionate it was known as the Smellie today it remains a very popular target rifle for competitive shooting and modern copies are being manufactured to meet demand Featuring first hand accounts brand new full colour artwork and close up photographs this is the story of the Lee Enfield the innovative reliable and long lived rifle that equipped British and other forces through the world wars and beyond

House documents ,1891 Bayonet to Barrage Stephen Manning,2021-10-01 How advances in weapons technology transformed the British soldier s experience of war during the nineteenth century How did technical advances in weaponry alter the battlefield during the reign of Queen Victoria In 1845 in the first Anglo Sikh War the outcome was decided by the bayonet just over fifty years later in the second Boer War the combatants were many miles apart How did this transformation come about and what impact did it have on the experience of the soldiers of the period Stephen Manning in this meticulously researched and vividly written study describes the developments in firepower and using the first hand accounts of the soldiers shows how their perception of battle changed Innovations like the percussion and breech loading rifle influenced the

fighting in the Crimean War of the 1850s and the colonial campaigns of the 1870s and 1880s in particular in the Anglo Zulu War and the wars in Egypt and Sudan The machine gun was used to deadly effect at the Battle of Omdurman in 1898 and equally dramatic advances in artillery took warfare into a new era of tactics and organization Stephen Manning s work provides the reader with an accurate and fascinating insight into a key aspect of nineteenth century military history

Ancient Weapons of Oman. Volume 2: Firearms Vincenzo Clarizia,2022-08-11 This book presents a detailed overview of the firearms used in Oman over the last four centuries Portable firearms rifles and cannons are all discussed in detail with supporting illustrations The weapons described in this book are mostly from the National Museum Oman and Bait al Zubair Museum in Muscat

The Quest for King Dick William Whiteley,2017 The history of the King Dick brand name and the Abingdon Works

Gay Novels of Britain, Ireland and the Commonwealth, 1881-1981 Drewey Wayne Gunn,2014-10-27 While American gay fiction has received considerable scholarly attention little has been given to developments in other English speaking countries This survey catalogs 254 novels and novellas by some 173 British Irish and Commonwealth authors in which gay and bisexual male characters play a major role Arranged chronologically from the appearance of the first gay protagonist in 1881 to works from the onset of the AIDS epidemic in 1981 in depth entries discuss each book s publication history plot and significance for the construct of gay identity along with a brief biography of its author Including iconic works like Oscar Wilde s *The Picture of Dorian Gray* 1890 and E M Forster s *Maurice* as well as lesser known but noteworthy novels such as Rose Macaulay s *The Lee Shore* 1912 and John Broderick s *The Waking of Willie Ryan* 1969 this volume the first of its kind enlarges our understanding of the development of gay fiction and provides an essential reading list
