The Master Plan Of Discipleship The Personal Evangelism Library:

The Master Plan of Discipleship Robert E. Coleman, 1987 Dr Robert E Coleman examines the pattern of disciple making set forth in the Book of Acts After discussing the principles of church growth in depth he shows how to apply them to the contemporary church Copyright Libri GmbH All rights reserved *Training Missionaries* Evelyn Hibbert, Richard Hibbert, 2016-09-08 Missionaries must know God be able to relate well to other people understand and engage with another culture and be able to use the Bible in a way that informs all aspects of their lives and ministries Missionary training must address each of these areas if it is to help Christians to be effective in taking the gospel to the ends of the earth Effective training has been shown to prevent people from prematurely leaving the field It also reduces the danger of cross cultural workers uncritically exporting culturally bound forms of Christianity This book details four key areas that every missionary training program whatever its context must focus on developing It shows how these can be holistically addressed in a learning community where trainers and trainees engage in cross cultural ministry together **Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology as well as theological ethics **Family in Mission** Johannes Reimer, 2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God's intended vehicle for experiencing life community and growth In this timely and powerful book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church this book also provides creative ideas for implementing a family centered praxis that offers preparation and support to families living out their calling to make Christ known To ignore the family Reimer warns is to ignore the church's greatest resource for transmitting truth communicating love and embodying the gospel If we are to be effective in making disciples of all nations we must start in our own homes Books in Series, 1876-1949 R.R. Bowker Company, 1982 **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles **The strong family** Charles R. Swindoll, 1997 *Books in Print*, 1991 **Religious Books and Serials in Print**, 1982 **The Spark that Ignites** Robert E. Coleman, 1989
