Public Theology in Korea? Minseok Kim, 2021 Public Theology is one of the most important topics in the field of theology across the world but not in Korea There are several historical and theological reasons for this indifference of Korean Reformed Christianity as the mainstream in Korea In order to dispel doubts of Korean Reformed Christianity to the public theological approaches it is necessary to demonstrate a coherence between some characteristics of public theology and Reformed theology This study analyses and utilises the six characteristics of public theology presented by Heinrich Bedford Strohm as a lens to engage aspects of John Calvin s theology and the period of the Reformation in Geneva Based on this work the author re examines the history of Korean Christianity with a public theological point of view and asserts the justification for Korean Reformed Christianity to actively
