---

MIRACLE: *“An event in the external world brought about by the immediate agency or the simple volition of God... It is an occurrence at once **above nature and above man**. It shows the intervention of a power that is not limited by the laws either of matter or of mind, a power interrupting the fixed laws which govern their movements, **a supernatural power**.”* (Easton's Bible Dictionary)

## **The Meaning In The Miracles:**

**The Meaning in the Miracles** Jeffrey John, 2001 Many explanations of the miracles recorded in the Gospels fall into one of two questionable categories unthinking acceptance or debunking which leaves only some vague moral lessons to be learned In this text Jeffery John sets the miracles of Jesus in a wider biblical context and shows them to be loaded with theological and prophetic relevance This broad perspective which brings together theological enquiry and the needs of personal faith should come as a revelation to many Christians searching for a proper understanding of Jesus miracles The Meaning in the Miracles Jeffrey John, 2004 Explanations of Jesusb miracles often get stuck in their supernatural elements speculating whether such things could possibly have occurred Jeffrey John argues that this is to mistake the shell for the kernel The Gospel writers recorded the many miracles of Jesus not to provoke open mouthed amazement but rather to prompt readers to seek the deeper meaning inside each of these spectacular events A best seller in England and now available for the first time in the United States The Meaning in the Miracles is praised as a must have guide to Jesusb miracles John walks readers through each miracle story providing the biblical text then offering insightful commentary that first connects the event with other biblical themes and then makes clear its meaning for today Each discussion ends with a selection of relevant scripture passages quotes from literature and other material meant to aid in further personal reflection and prayer As John shows the stories of Jesusb miraculous works are loaded with prophetic and theological significance meant primarily to foster personal faith By reflecting on the depths and dimensions of meaning the Gospel writers intended to convey readers encounter afresh the One whose works of power were always a means of announcing the good news of his transforming love then and now bA delight considerable scholarship with a light touch Highly recommended b The Reader

Woodward, 2001-07-10 Woodward offers an intellectually rich look at the five great religions foundational miracles and those of the later sages and saints      *The Meaning of the Miracles* R. H., 193?      **The Miracles of Jesus** Vern S. Poythress, 2015-11-17 Christians often view Jesus's miracles simply as proofs of his divinity However as prolific author Vern Poythress shows in this new book they also serve as signs of redemption foreshadowing the salvation that Christ accomplished through his cross and resurrection This means that the stories of Jesus's miracles like the calming of the storm or the feeding of the 5 000 are relevant for both Christians and non Christians alike clearly pointing to the gospel After setting forth a framework for viewing all of Jesus's miracles through this lens Poythress then reflects on the meaning and significance of 26 distinct miracles recorded in the Gospel of Matthew helping modern readers understand and apply them to their own lives today      *The Bible Speaks On Miracles And Providence* Kevin Townsend, 2021-05-13 An in depth look into the Bible definition of miracles and divine providence The book provides how the Bible defines these words and concepts as well as what they are designed by God to do It also contrasts and compares these two concepts with each other      **Jesus the Miracle Worker** Graham H.
