

The Medieval Monasteries Of Yorkshire

Janet Burton

The Medieval Monasteries Of Yorkshire:

The Medieval Monasteries of Yorkshire Joan Spence, Bill Spence, 1981 **The Medieval Monastery** Roger Rosewell, 2012-11-20 Monasteries are among the most intriguing and enduring symbols of Britain's medieval heritage. Simultaneously places of prayer and spirituality, power and charity, learning and invention, they survive today as haunting ruins, great houses and as some of our most important cathedrals and churches. This book examines the growth of monasticism and the different orders of monks, the architecture and administration of monasteries, the daily life of monks and nuns, the art of monasteries and their libraries, their role in caring for the poor and sick, their power and wealth, their decline and suppression, and their ruin and rescue. With beautiful photographs, it illustrates some of Britain's finest surviving monastic buildings, such as the cloisters of Gloucester Cathedral and the awe-inspiring ruins of Rievaulx Abbey in North Yorkshire.

Medieval Monasteries J. Patrick Greene, 2005-10-01 This book provides an account of the archaeology of medieval monastic houses throughout Great Britain and Ireland. The application of a wide range of archaeological techniques allied to historical investigation has awakened interest in monasteries. Important new sources of information have transformed knowledge of monastic life. As well as discussing many of the advances made by research over the last two decades, innovative methods of archaeological investigation are described, and examples of good practice in the preservation of sites and their interpretation to visitors are provided. Suggestions for further research, examples of outstanding monastic sites to visit, a glossary of terms, a comprehensive bibliography, and an index are also included.

Monastic Life in the Medieval British Isles Julie Kerr, Emilia Jamrozik, Karen Stöber, 2018-10-15 This book celebrates the work and contribution of Professor Janet Burton to medieval monastic studies in Britain. Burton has fundamentally changed approaches to the study of religious foundations in regional contexts, Yorkshire and Wales, placing importance on social networks for monastic structures and female Cistercian communities in medieval Britain. Moreover, she has pioneered research on the canons and their place in medieval English and Welsh societies. This Festschrift comprises contributions by her colleagues, former students, and friends, leading scholars in the field who engage with and develop themes that are integral to Burton's work. The rich and diverse collection in the present volume represents original work on religious life in the British Isles from the twelfth to the sixteenth century as homage to the transformative contribution that

The Late Medieval Cistercian Monastery of Fountains Abbey, Yorkshire Michael Spence, 2020 Founded in 1132, Fountains Abbey became the wealthiest English Cistercian monastery, yet relatively little analysis has been made of its surviving records to investigate how its wealth was controlled and sustained. This book deals with this secular aspect of the religious community at Fountains, investigating in particular the way in which prosaic business records were compiled and redacted. It traces the transmission of data from original charters through successive versions of cartularies and, in the process, establishes the existence of a previously unknown manuscript. It also reveals how abbots in the fifteenth century interacted with and adapted the records in their care.

In this process two quite different aspects of monastic life are uncovered First it sheds new light on the history of Fountains Abbey through the fourteenth and fifteenth centuries amongst other things how it responded to the turmoil of the Black Death and discloses for the first time the allegiance of one abbot to the Lancastrian cause during the Wars of the Roses Second it reveals the worldly skills shown by the community of Fountains that were successfully applied to exploit the monastery's large landholdings across Yorkshire mainly through wool and agricultural production but also through fisheries tanning mining and metalworking The economic success of these activities enabled the abbey to become a prosperous institution which rivalled the wealth of the aristocracy This book addresses recordkeeping and archival memory at one Cistercian monastery albeit a well endowed and prosperous one in the north of England However its treatment of archival sources could be extended to other houses in different geographical locations and different orders to enable comparisons between monasteries dealing with economic change and social and political upheaval in the later Middle Ages

Monastic and Religious Orders in Britain, 1000-1300 Janet Burton, 1994-01-28 This book traces the development of monasticism in England Scotland and Wales from the last half century of Anglo Saxon England to 1300 It explores the nature of the impact of the Norman settlement on monastic life and how Britain responded to new European ideas on monastic life In particular it examines Britain's response to the needs of religious women It covers every aspect of the life and work of the religious orders their daily life the buildings in which they lived their contribution to intellectual developments and to the economy Particular attention is paid to the relationship between religious houses and their founders and patrons This shows the degree of dependence of religious houses on local patrons Indeed one major theme which emerges from the book is the constant tension between the ideals of monastic communities and the demands of the world

Marrick Priory John H. Tillotson, 1989

Monasteries in the Landscape Mick Aston, 2009-09-15 The beginnings and development of Monasteries in the Landscape

Monasteries and Society in the British Isles in the Later Middle Ages Janet E. Burton, Karen Stöber, 2008 New essays on the monastic life in the later middle ages show that far from being in decline it remained rich and vibrant In recent years there has been an increasing interest in the history of the numerous houses of monks canons and nuns which existed in the medieval British Isles considering them in their wider socio cultural economic context historians are now questioning some of the older assumptions about monastic life in the later Middle Ages and setting new approaches and new agenda The present volume reflects these new trends Its fifteen chapters assess diverse aspects of monastic history focusing on the wide range of contacts which existed between religious communities and the laity in the later medieval British Isles covering a range of different religious orders and houses This period has often been considered to represent a general decline of the regular life but on the contrary the essays here demonstrate that there remained a rich monastic culture which although different from that of earlier centuries remained vibrant

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Medieval Monasteries Of Yorkshire eBooks, including some popular titles.

FAQs About The Medieval Monasteries Of Yorkshire Books

What is a The Medieval Monasteries Of Yorkshire PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Medieval Monasteries Of Yorkshire PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Medieval Monasteries Of Yorkshire PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Medieval Monasteries Of Yorkshire PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Medieval Monasteries Of Yorkshire PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
