The Medusa Chain A Graphic Novel Graphic Novel:

The Medusa Chain Ernie Colón,1984 *Graphic Novels* D. Aviva Rothschild,1995-04-15 The first of its kind this annotated guide describes and evaluates more than 400 works in English Rothschild s lively annotations discuss important features of each work including the quality of the graphics characterizations dialogue and the appropriate audience and introduces mainstream readers to the variety and quality of graphic novels helps them distinguish between classics and hackwork and alerts experienced readers to material they may not have discovered Designed for individuals who need information about graphic novels and for those interested in acquiring them this book will especially appeal to librarians booksellers bookstore owners educators working with teen and reluctant readers as well as to readers interested in this genre The Routledge Introduction to American Comics Andrew J. Kunka,Rachel R. Miller,2024-10-28 This accessible up to date textbook covers the history of comics as it developed in the US in all of its forms political cartoons and newspaper comic strips comic books graphic novels minicomics and webcomics Over the course of its six chapters this introductory textbook addresses the artistic cultural social economic and technological impacts and innovations that comics have had in American history Readers will be immersed in the history of American comics from its origins in 18th century political cartoons and late 19th century newspaper strips to the rise of the wildly popular comic book the radical grassroots collectives that grew out of the underground comix movement of the 1960s and 1970s all the way through contemporary longform graphic novels the vibrant self publishing scene and groundbreaking webcomics The Routledge Introduction to American Comics guides students researchers archivists and even fans of the medium through a contemporary history of comics attending to how a diverse range of creators and researchers have advanced the art form in key ways since its inception as a foundational art of American popular culture In this way it is uniquely suited to readers engaged in the study of comics as well as those interested in the creation of comics and graphic narratives *The Official Overstreet Comic Book Companion, 11th Edition* Robert M. Overstreet,2010 Describes and lists the values of popular collectible comics and graphic novels issued from the 1950s to today providing tips on buying collecting selling grading and caring for comics and including a section on related toys and rings **Neon Visions** Brannon Costello,2017-10-11 Neon Revelations tracks the groundbreaking career of comics innovator and iconoclastic auteur Howard Chaykin and the impact of his work on the transformation of American comic books in the 1980s Acclaimed and often controversial projects such as American Flagg Time2 and Black Kiss turned action packed adventure tales of mainstream comics into a platform for personal expression political engagement and aesthetic experimentation Chaykin remains a vital and prolific artist today yet despite the original and influential nature of his comics he has received scant critical attention Spanning Chaykin s career from his 1980s heyday to the contemporary period the first book length study of Chaykin s work locates the unique power of Chaykin s comics in their inventive explorations of the question of authenticity in popular culture It examines the ways in which Chaykin s work

which demands a mode of reading that is alive to the distinct affordances of the comics medium and the complexities of its history reveals the limitations of valuing comics narrowly as literature
