The Memoirs Of Baron De Marbot Jean-Baptiste-Antoine-Marcelin Marbot,2025-05-22 The Memoirs Of Baron De Marbot offers a firsthand account of one of Napoleon s soldiers during the tumultuous years of the French Revolution and the Napoleonic era Jean Baptiste Antoine Marcelin Marbot recounts his experiences in the French army providing vivid descriptions of battles campaigns and the daily life of a soldier This detailed memoir provides valuable insights into the strategies challenges and human cost of warfare during this pivotal period in European history Marbot s engaging narrative captures the spirit of the time and offers a compelling look at the personalities and events that shaped the era This historical account is a must read for anyone interested in military history the Napoleonic Wars and the personal stories of those who lived through them This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Memoirs of Baron De Marbot* Butler Arthur John,1901 **The Memoirs of General the Baron de Marbot** Baron de Marbot,2002-08-01 **The Memoirs of Baron de Marbot - Late Lieutenant General in the French Army** Marcellin General Baron De Marbot,Arthur John Butler,2011 In this second volume de Marbot continues his varied adventures under Napoleon s eagles He writes of the battle of Wagram and the death of General Lasalle the finest light cavalry commander of the time He is assigned to Massena s campaign to conquer Portugal in 1810 and faces his opponents at Busaco and records the features of the impregnable Line of Torres Vedras More interesting than the mere descriptions of the battles combats and affairs he is involved in are the intrigues and fall outs at the Headquarters between Marshal Massena and most of his divisional generals including the famous Marshal Ney sometimes over his military handling of the campaign and at others over his bringing his mistress Miss X with him He provides a somewhat skewed but vivid account of the battle of Fuentes d Onoro in 1811 and withholds no venom in his descriptions of Massena in particular and also the other bickering generals controlling their fiefdoms in the Peninsular He joins the 23rd Chasseurs a Cheval for the campaign in Russia His unit is part

of the flank guard for the Grande Armée's push to Moscow and provides details of the battle of Polotsk. He gives an incisive portrait of Marshal Gouvion Saint-Cyr who he portrays as brilliant but cold and eccentric. Present at the crossing of the Beresina, he recounts the woes of the army he finds in pieces after the retreat from Moscow, beaming with pride at the state of his regiment. He moves rather briskly into the wars of German liberation and the epoch-defining battle of Leipzig in 1813. He describes the action as best as any eye witness can of three days of rolling battle and carnage. Can be bitter and with some passion he speaks of Napoleon's German allies turning on the French. He is rather fulsome in his criticism of his senior commanders, especially Exelmans. The campaign of 1814 in defence of France is but briefly covered and the 1815 campaign not at all. Contains portrait of de Marbot from 1812 as a lieutenant general and maps illustrating the battle of Leipzig. *The Memoirs of General Baron de Marbot* Marbot, 2000 **The Memoirs of General Baron De Marbot**
