The Merrill Studies In Babbitt:

The Merrill Studies in Babbitt Martin Light,1971-01-01 *Babbitt* Sinclair Lewis,1996-04-01 The masterpiece of Nobel Prize winner Sinclair Lewis A Penguin Classic George F Babbitt a conniving prosperous real estate man from Zenith Ohio revels in his popularity his success and especially in the material rewards they bring He bullies his wife flirts with other women and patronizes the less successful But when his best friend is sent to prison for killing his wife Babbitt s middle class complacency is shattered and he rebels seeking a more meaningful life His small revolt is quickly defeated however by public opinion and his own need for acceptance Babbitt captures the flavor of America during the economic boom years of the 1920 s and its protagonist has become the symbol of middle class mediocrity his name an enduring part of the American lexicon For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Modernism and the Culture of Efficiency**

Evelyn Cobley,2009-01-01 Cobley s close readings of modernist British fiction by writers as diverse as Aldous Huxley Joseph Conrad and E M Forster identify characters whose attitudes and behaviour patterns indirectly manifest cultural anxieties that can be traced to the conflicted logic of efficiency **The American Village in a Global Setting**

Michael E. Connaughton,Suellen Rundquist,2009-03-26 In October 2005 a conference honoring the contributions of Sinclair Lewis to Midwest and American culture and celebrating the friendship between Sinclair Lewis and Ida K Compton was held at St Cloud State University in St Cloud Minnesota Sinclair Lewis would no doubt have been flattered and perhaps a bit surprised by the breadth of this conference in his honor The fact that scholars writers students and readers gathered to discuss his work and its broader influence would have pleased him He would have learned that readers still found stimulus for serious thought in his writing and that his works can serve as a springboard to discussion of today s societal issues some of which might surprise him considerably The papers selected from the conference entitled *The American Village in a Global Setting* consider elements of Lewis world through today s lens In Part I his version of community is compared to that documented in other ways including architecture and television Scholars address issues such as anti-Semitism theocratic communities the Irish and outdoor life In Part II the concept of community is expanded to the visions of other authors including his contemporaries such as Martha Ostenso Josephine Donovan and Willa Cather as well as more recent writers In Part III today s social and cultural issues in America are addressed expressing the global and interdisciplinary intent of the conference And last Part IV continues the global theme addressing international communities and pedagogical philosophies through film and literature **Catalog of Copyright Entries. Rise of Sinclair Lewis, 1920-1930 James M. Hutchisson,2010-11-01 The Rise of Sinclair Lewis examines the making of

Lewis's best selling novels *Main Street*, *Babbitt*, *Arrowsmith* and *Elmer Gantry* their sources, composition, publication and subsequent critical reception. Drawing on thousands of pages of material from Lewis's notes, outlines and drafts, most of it never before published, James M. Hutchisson shows how Lewis selected usable materials and shaped them through his unique vision into novels that reached and remained part of the American literary imagination. Hutchisson also describes for the first time how large a role was played by Lewis's wives, assistants and publishers in determining the final shape of his books.

The Modern American Novel Steven G. Kellman, 1991. Intended for undergraduate and high school students with references primarily to book length works. Writing sexual revolutions Vera Boie, 1995. **CEA Critic** College English Association, 1996. *Arthur Miller - Death of a Salesman/The Crucible* Stephen Marino, 2015-08-16. Arthur Miller was one of the most important American playwrights and political and cultural figures of the 20th century. Both *Death of a Salesman* and *The Crucible* stand out as his major works; the former is always in performance somewhere in the world and the latter is Miller's most produced play. As major modern American dramas, they are the subject of a huge amount of criticism which can be daunting for students approaching the plays for the first time. This Reader's Guide introduces the major critical debates surrounding the plays and discusses their unique production histories, initial theatre reviews and later adaptations. The main trends of critical inquiry and scholars who have purported them are examined, as are the views of Miller himself, a prolific self-critic.
