The Mgm Story The Complete History Of Fifty Four Roaring Years:

The MGM Story John Douglas Eames,1979 **The MGM Story** John Douglas Eames,1975 This revised edition includes all the films produced and distributed by MGM from the early days of silent films through the golden age of the 1930s and 1940s right up to the blockbusters of the 80s and 90s Year by year every film is appraised alongside a still from the movie

A Fine Romance Geoffrey Holden Block,2023 The central topic of *A Fine Romance* Adapting Broadway to Hollywood in the Studio System Era is the symbiotic relationship between a dozen Broadway musicals and their Hollywood film adaptations spanning nearly a half century 1927 1972 The romance begins with the stage version of *Show Boat* and ends with Bob Fosse's cinematic 1972 re-envisioning of *Cabaret* Between these end points are chapters on *The Cat and the Fiddle* *Roberta* *Cabin in the Sky* *Oklahoma* *On the Town* *Brigadoon* *Call Me Madam* *Silk Stockings* *West Side Story* and *Flower Drum Song* *Beyond Paradise* André Soares,2010-04-19 The first Latin American actor to become a superstar Ramon

Novarro was for years one of Hollywood's top actors Born Ramon Samaniego to a prominent Mexican family he arrived in America in 1916 a refugee from civil wars By the mid 1920s he had become one of MGM's biggest box office attractions starring in now classic films including *The Student Prince* *Mata Hari* and the original version of *Ben Hur* He shared the screen with the era's top leading ladies such as Greta Garbo Myrna Loy Joan Crawford and Norma Shearer and he became Rudolph Valentino's main rival in the Latin Lover category Yet despite his considerable professional accomplishments Novarro's enduring hold on fame stems from his tragic death his bloodied corpse was found in his house on Halloween 1968 in what has become one of Hollywood's most infamous scandals A lifelong bachelor Novarro carefully cultivated his image as a man deeply devoted to his family and to Catholicism His murder shattered that persona News reports revealed that the dashing screen hero had not only been gay but he was dead at the hands of two young male hustlers Since then details of his murder have achieved near mythic proportions obscuring Novarro's professional legacy *Beyond Paradise* presents a full picture of the man who made motion picture history Including original interviews with Novarro's surviving friends family coworkers and the two men convicted of his murder this biography provides unique insights into an early Hollywood star a man whose heart was forever in conflict with his image and whose myth continues to fascinate today **The M.G.M. Story**

Young,2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold

architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more prominent role in American culture with hot rods rock n roll preppies and greasers and gasp juvenile delinquency At the same time a new technological threat the atom bomb lurked beneath the surface of the postwar decade This volume presents a nuanced look at a surprisingly complex time in American popular culture Hollywood Left and Right Steven J.

Ross,2011-08-01 In Hollywood Left and Right Steven J Ross tells a story that has escaped public attention the emergence of Hollywood as a vital center of political life and the important role that movie stars have played in shaping the course of American politics Ever since the film industry relocated to Hollywood early in the twentieth century it has had an outsized influence on American politics Through compelling larger than life figures in American cinema Charlie Chaplin Louis B Mayer Edward G Robinson George Murphy Ronald Reagan Harry Belafonte Jane Fonda Charlton Heston Warren Beatty and Arnold Schwarzenegger Hollywood Left and Right reveals how the film industry s engagement in politics has been longer deeper and more varied than most people would imagine As shown in alternating chapters the Left and the Right each gained ascendancy in Tinseltown at different times From Chaplin whose movies almost always displayed his leftist convictions to Schwarzenegger s nearly seamless transition from action blockbusters to the California governor s mansion Steven J Ross traces the intersection of Hollywood and political activism from the early twentieth century to the present Hollywood Left and Right challenges the commonly held belief that Hollywood has always been a bastion of liberalism The real story as Ross shows in this passionate and entertaining work is far more complicated First Hollywood has a longer history of conservatism than liberalism Second and most surprising while the Hollywood Left was usually more vocal and visible the Right had a greater impact on American political life capturing a senate seat Murphy a governorship Schwarzenegger and the ultimate achievement the Presidency Reagan
