There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new *Celtic FC* Brian McGuirk,2013-02-21 Celtic Football Club has a huge support in Ireland many of whom regularly travel to watch their team in Glasgow or follow them on TV Now Celtic FC The Ireland Connection explores the deep rooted links between Celtic Football Club Ireland and the 90 million supporters of Irish descent throughout the world links which include the club s founder Brother Walfrid from Sligo the first sod of turf on Celtic Park in 1892 from Donegal why the Irish flag flies over the stadium Celtic s first manager Willie Maley from Newry emigration from Ireland to Scotland and the many Irish players and staff who have played or managed at Celtic This is a fascinating must read book for supporters of Celtic Football Club in Ireland Scotland and around the world Oxford Dictionary of National Biography: Freud-Gibbard Henry Colin Gray Matthew,Brian Harrison,2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002 **Bill McCracken, the Offside King** Paul Joannou,2025-09-29 Bill McCracken the Offside King is the first biography of a football pioneer and Newcastle United legend who forced a fundamental change to the rules of the game Written by former Newcastle United official club historian Paul Joannou this gripping book is a must read for all Magpies fans and anyone interested in football history or nostalgia Brought up in Belfast Bill was a much wanted talent at full back and became a key figure in Newcastle s great Edwardian line up Read how McCracken was the most talked about player in the years before and after World War One as Newcastle United s defensive master in a line up at the very top of the game his playing career spanned more than 20 yearsHe claimed notoriety for his perfect execution of the offside trap a tactic which caused uproar on the terraces and was

widely copied earning him the nickname the Offside King Something of a rebel with a cause the likeable yet at times controversial Irishman fought a long running feud with the Irish FA over payments Later he was a respected manager with Hull City with whom he got within a whisker of the FA Cup final before taking charge of Gateshead Millwall and Aldershot Afterwards as a celebrated talent scout he remained active in the game into his 90s Bill s fascinating career and huge influence on football are explored in detail in this superbly researched biography published a century on from when McCrackenism changed the face of football

Heroes are Forever John Cairney, 2011-04-15 James Edward McGrory 1904-82 is a Celtic legend remembered today as the greatest goal scorer in the history of Scottish football His record of 550 goals in his 15 year career at Parkhead from 1922 to 1937 is unlikely to be surpassed and will stand forever as a memorial to a player who was a typical product of the period between the two world wars At a depressing time when wages were low and work was scarce his feats on the field provided a welcome and much needed escape for the thousands of ordinary cloth capped Scottish working men who packed the dirt terracing to cheer on every move he made Heroes are Forever tells the full story of McGrory s life and career and is set against the vividly drawn background of the inter war period It is a portrait of a loyal modest and inspirational man who lifted the hearts of his countrymen and raised the spirits of a nation It was he after all who by scoring twice for Scotland in 1933 provoked the original Hampden Roar
