Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin Mystery Classics on Film Ron Miller, 2017-02-20 Watching the screen version of a classic mystery novel can be disappointing By necessity or artistic license or possibly just ego changes are often made by the filmmakers many of them ineffective or even detrimental This book focuses on the screen adaptations of 65 famous mysteries and examines how the filmmakers either succeeded or failed in the telling of the story Interviews with several famous mystery writers are included with their comments on how filmmakers treated their work **Home** George Sanders, 2015-03-02 Four years That's how long it took Californian playboy Michael Vickers to regain his memory and come home Four years That's how long Vickers spent battered bruised and south of the border following the attack which sought to end his life all because he d mistaken a mortal enemy for a friend Or a lover And now Vickers is looking for four years worth of payback from the devil responsible for his near demise But within days of Vickers return a murder attempt is made on one of his suspects and this time it succeeds Enter a very shrewd detective whose eyes are on everyone Especially Vickers In Stranger at Home the second George Sanders mystery novel we are taken to a world removed from the backstage comic mystery of Crime on My Hands but nonetheless a milieu very familiar to the actor Southern California in the 1940 s A world of stars and millionaires but also vice organized crime and shattered dreams And Michael Vickers himself is a hero very much after the mould of Sanders irresistibly attractive screen persona gilded and charming languid and pleasure seeking but with a steely remorseless core Mama Rose's Turn Carolyn Quinn, 2013-10-11 Hers is the show business saga you think you already know but you ain t seen nothin yet Rose Thompson Hovick mother of June Havoc and Gypsy Rose Lee went down in theatrical history as The Stage Mother from Hell after her immortalization on Broadway in Gypsy A Musical Fable Yet the musical was 75 percent fictionalized by playwright Arthur Laurents and condensed for the stage Rose s full story is even more striking Born fearless on the North Dakota prairie in 1891 Rose Thompson had a kind father and a gallivanting mother who sold lacy finery to prostitutes She became an unhappy teenage bride whose marriage yielded two entrancing daughters Louise and June When June was discovered to be a child prodigy in ballet capable of dancing en pointe by the age of three Rose without benefit of any theatrical training set out to create onstage opportunities for her magical baby girl and succeeded Rose followed her own star and created two more in dramatic

and colorful style Baby June became a child headliner in vaudeville and Louise grew up to be the well known burlesque star Gypsy Rose Lee The rest of Mama Rose's remarkable story included love affairs with both men and women the operation of a lesbian pick up joint where she sold homemade bathtub gin wild attempts to extort money from Gypsy and June two stints as a chicken farmer and three allegations of cold blooded murder all of which was deemed unfit for the script of Gypsy Here at last is the rollicking wild saga that never made it to the stage **Horror and Mystery Photoplay Editions and Magazine Fictionizations** Thomas Mann, 2024-10-11 Photoplay editions were usually hardcover reprints of novels that had been made into movies illustrated with photographs from the film productions Sometimes instead they were fictionized versions of film scripts rewritten in narrative form Here is an annotated checklist of more than 500 horror and mystery photoplay novels and magazine fictionizations collected over a period of four decades Photo illustrated stories that are not strictly in the horror or mystery genres are included if they are linked to films with such stars as Lon Chaney Boris Karloff Bela Lugosi or other genre figures Mysteries are generally defined as novels or stories featuring a detective as the central character although in some cases melodramas thrillers and film noir books having crime as a plot element are included Science fiction and fantasy works and others having outre aspects are also within scope With a few exceptions the cut off date for inclusion in the catalog is the year 1970 In an entertaining introductory essay the author reflects on the attractions of assembling such a collection analyzes aspects of the social significance and aesthetic content of its books and draws many surprising inferences from their advertisements illustrations and marks of previous ownership The subsequent catalog is the first survey in the field to extend bibliographical coverage beyond books to movie tie in magazine stories Included in an appendix is the complete text of The Gorilla a short story version of a lost First National Film reprinted from a rare issue of Moving Picture Stories from 1927
