The Heart Of Beethoven:

The heart of Beethoven Selden Rodman,1977 **The Heart of Beethoven** Selden Rodman,1962 Beethoven's life more dramatically than any other of mankind's major poets was the source of his art As a young man he lived the rebellious emotionalism of the Romantic movement and gave first full expression to it In his mature years such triumphant works as the third fifth and seventh symphonies still after 150 years the world's most popular music bodied forth his personal interpretation of the French Revolution its release of faith in the individual's capacity to shape his destiny Deaf and on the threshold of death Beethoven carried art finally into depths of subjective perception not plumbed by other artists The composer's life has been examined and related to his art before but not in two decades nor as succinctly and with as successful and resolution of the enigma presented by noble ideals apparently scuttled in daily performance The raw materials of this fierce struggle scattered in a dozen compendiums of diaries sketchbooks interviews conversations and letters are here assembled in a veritable anthology of genius at work For the first time we believe this tragic but inspiring story has been given visual continuity by a graphic artist capable of sustaining its burden with technical master as well as imagination

Beethoven's Pianoforte Sonatas Explained for the Lovers of the Musical Art Ernst von Elterlein,1875 **Beethoven's**

Anvil William Benzon, 2002 7F Why does the brain create music This text argues that the key to music's function lies in the very complexity of musical experience As well as being both personal and social the creation of music taps into the whole spectrum of human skills both physical and mental

Archduke Rudolph, Beethoven's Patron, Pupil, and Friend Susan Kagan, 1988 In early 19th century Austria the Archduke Rudolph occupied multiple roles a noble Hapsburg by birth a Cardinal Archbishop by career and a dedicated musician by avocation A talented pianist and composer Archduke Rudolph enjoyed the unique privilege of being Beethoven's only composition student and in the two decades of studying with him produced a sizable and well crafted body of music for piano chamber ensemble and voice Many of the Archduke's autograph manuscripts were corrected in detail by Beethoven giving us fascinating insights into Beethoven's thinking on the structure and syntax of music This comprehensive book surveys Archduke Rudolph's life and career in music which also encompasses his significant role as music patron and collector It is based on a study of primary sources principally the autograph manuscripts of his compositions and sketches and most importantly Beethoven's own autographs including sketches corrections on the Rudolph manuscripts and a four measure theme composed expressly for Rudolph's use produced here in facsimile for the first time Other primary sources examined include the Archduke's correspondence with Beethoven and members of the Imperial household the catalogues of Rudolph's music collection and documents related to his ecclesiastical career The thematic catalogue of Archduke Rudolph's music lists all of his finished and unfinished works in chronological order as well as sketches copies and transcriptions Fifty illustrations and 190 musical examples are also provided

Haydn's Sunrise, Beethoven's Shadow Deirdre Loughridge, 2016-09-06 The years between roughly 1760 and 1810 a period stretching from the rise of Joseph Haydn's career to the height of Ludwig van Beethoven's are often viewed as a golden age for musical culture when audiences started to revel in the sounds of the concert hall But the latter half of the eighteenth century also saw proliferating optical technologies including magnifying instruments magic lanterns peepshows and shadow plays that offered new performance tools fostered musical innovation and shaped the very idea of pure music Haydn's Sunrise Beethoven's Shadow is a fascinating exploration of the early romantic blending of sight and sound as encountered in popular science street entertainments opera and music criticism Deirdre Loughridge reveals that allusions in musical writings to optical technologies reflect their spread from fairgrounds and laboratories into public consciousness and a range of discourses including that of music She demonstrates how concrete points of intersection composers' treatments of telescopes and peepshows in opera for instance or a shadow play performance of a ballad could then fuel new modes of listening that aimed to extend the senses An illuminating look at romantic musical practices and aesthetics this book yields surprising relations between the past and present and offers insight into our own contemporary audiovisual culture

The Century Library of Music Ignace Jan Paderewski, 1901

Beethoven's French Piano Tom Beghin, 2022-07-21 In this book Tom Beghin examines the French piano Beethoven famously acquired from the Erard firm in Paris in 1803 The Erard

piano is one of only three extant instruments belonging to Beethoven and is housed in a museum in Austria Beghin argues that the piano sonatas Beethoven composed between 1803 and 1810 including the Waldstein and the Appassionata show the influence of the new French style of pianism and of the Erard in particular specifically in the uses of tremolo legato and the una corda pedal which softens dramatically the volume Beghin shows that Beethoven was guided by a search for new sonorities and that the specific touch provided by the Erard's technology helped to point him toward new compositional horizons especially at a time when he was forced to withdraw from performance due to his increasing deafness The book combines informed historical analysis of the musical milieu in Vienna and Paris with the author's own experiments at the keyboard in order to reconstruct the specific techniques that Beethoven was exploiting and the ways they translated into his innovative piano writing

The Critical Reception of Beethoven's Compositions by His German Contemporaries

Wayne M. On the Performance of Beethoven's Symphonies and Other Essays Felix Weingartner, 2013-03-21

Three important works by conductor Felix Weingartner 1863-1942 include a detailed account of performing difficulties and interpretation questions involved in each of Beethoven's symphonies plus the essays On Conducting and The Symphony Since Beethoven

Beethoven's Ninth Esteban Buch, 2004-05 Who hasn't been stirred by the strains of Beethoven's Ninth Symphony That's a good question claims Esteban Buch German nationalists and French republicans communists and Catholics have all in the course of history embraced the piece It was performed under the direction of Leonard Bernstein at a concert to mark the fall of the Berlin Wall yet it also serves as a ghastly and ironic leitmotif in Stanley Kubrick's A Clockwork Orange Hitler celebrated his birthdays with it and the government of Rhodesia made it their anthem And played in German concentration camps by the imprisoned it also figured prominently at Mitterand's 1981 investiture In his remarkable history of one of the most popular symphonic works of the modern period Buch traces such complex and contradictory uses and abuses of Beethoven's Ninth Symphony since its premier in 1824 Buch shows that Beethoven consciously drew on the tradition of European political music with its mix of sacred and profane military and religious themes when he composed his symphony But while Beethoven obviously had his own political aspirations for the piece he wanted it to make a statement

about ideal power he could not have had any idea of the antithetical political uses nationalist and universalist to which the Ninth Symphony has been put since its creation Buch shows us how the symphony has been deployed throughout nearly two centuries and in the course of this exploration offers what was described by one French reviewer as a fundamental examination of the moral value of art Sensitive and fascinating this account of the tangled political existence of a symphony is a rare book that shows the life of an artwork through time shifted and realigned with the currents of history **Music**
