The Heart of Doing Business Masatoshi Itō, 2004-01-01 **AFRICA LARGEST MEMOIRS** S.O PIENS, This book is a collection of stories about Africans who have done great things a collection of businesses startups and entrepreneurship that demonstrate that it is truly possible in Africa Gone are those days when Africans were viewed as being hopeless and helpless These days Africans are taking giant strides all over the world They are making an impact on their continent and everywhere around the world The only thing that we've seen on western media about Africa is how it's being plagued with poverty malnutrition prostitution corruption crimes fraudulence and gangsters But not much about how its people have strived to make their continent great and how they have kept attaining a new level of success and progress every day But the order has changed Africans are the ones who are now telling their own stories They are the ones who are celebrating their own successes and achievements You will find in this book stories of ordinary Africans who are doing extraordinary things The stories of people like you who have demonstrated through their businesses and entrepreneurship that it is indeed possible in Africa In this book you will learn 100 inspiring stories of Africans How they started their businesses despite all odds and what kept them going The common challenges that ravage businesses in Africa and how to surmount them How to find opportunities in Africa and be resourceful with the available resources What it takes to succeed in any business in Africa and Why Africa is the future **Memoirs of a Dipper** Nell Leyshon, 2015-06-04 A reading experience that hums with an electric energy that never gets boring and feels shockingly painfully real The Times There's different ways to do it I can slowly move closer step by step or I can do it in one movement and bump into them Easiest is in a pub then I can put my drink too close to theirs Move my stool near theirs Anything to cross the line Gary is a dipper a burglar a thief He is still at junior school when his father first takes him out on the rob and proves a fast learner not much more than a child the first time he gets caught he is a career criminal as soon as he is out again But Gary is also fiercely intelligent he often knows more about the antique furniture he is stealing than the people who own it and is confident in his ability to trick his way out of any situation always one step ahead But all that changes when he falls for Mandy *Entrepreneurial Genius* Gene N. Landrum, 2003-09 Professor Landrum begins with biographical overviews of a dozen of the most interesting and powerful entrepreneurs of recent vintage He identifies their unique eccentricities and then shows the personality traits that they all have in common These are the attributes that constitute the genius of the great entrepreneur To enable you to compare your personality attributes with those of the great entrepreneurs who have achieved billionaire status Professor Landrum has included in this book a self assessment exercise Book jacket **Memoirs of My struggles** Neil Chuma, 2016-11-23 The war on drugs has created many problems in our society This book is an autobiographical alternative account of the author's life and how he came to face one of the most difficult laws ever imposed The book explores many themes such as racial identity prison crime and punishment poverty sex love drugs politics religion philosophy death and human identity The author delves deep into many themes

Pontefract combines years of experience and research on employee engagement behavior and culture to create a work about the three crucial areas of purpose personal organizational and workplace role If all three can come to fruition if there is a positive interconnection between the three distinct definitions of purpose the benefits should be felt by employees teams the organization customers and perhaps most importantly society as a whole We can refer to this balanced state as the sweet spot When one area is lacking or ignored the results range from disengagement apathy lack of growth and even bankruptcy The Purpose Effect is aimed at both leaders and employees who wish to achieve a purpose mindset on a personal level for the organization where they are employed and in their role at work too A business leader that is committed to purpose will create purpose for the organization An employee that feels his her personal sense of purpose is being fulfilled at work will be an invaluable asset to productivity and success An organization centered on purpose will benefit every stakeholder from employees to society in general This sweet spot of purpose creates a reciprocal relationship between all three areas and sits at the center of Pontefract s work **The Big Bad Wolf Strikes It Rich!
