L. Cottrell,2014-03-19 Marienne is different from how she used to be After she recovered from the car wreck that nearly killed her she withdrew from the life she was leading not just because her family was destroyed and her friendships broken but also because she started noticing some very disturbing things about the world around her These days along with keeping to herself she simply endures the horrific monsters she sometimes sees in the place of seemingly normal men She doesn't know what to do so she does nothing Gabe has been Light for eight years He's accustomed to the unique lifestyle centered on destroying the creatures of darkness that infiltrate the human world to wreak havoc on it As a Gatherer his job is to find new Light people and introduce them to their new way of existing but the routine and relatively quiet life he's been leading for so long is interrupted when he encounters Marienne She's distinctive and of all the bizarre things he's seen in his life her unexpected appearance is the one that shocks him the most But these two strangers are on the brink of something much bigger than simply changing each other's lives The scale balancing good against evil can only stay steady for so long before it tips toward darkness and that upset is just around the corner And Marienne Gabe and everyone they know Light or not will be swept up in the fight to right it The Light Trilogy contains adult content **Paths of the Na'gee** E. Ritter,2024-06-04 So close yet so out of reach is the mirror image or reflection of the world around us Unlike our earth that has become so industrialized and technologically advanced this world is wild untamed and mystical It is the other side of our world History is full of tales of things that have mistakenly crossed over from the other side These instances have birthed our myths legends and mystery around creatures thought to be fictional imaginary or long extinct On Samuel's mission to avenge the death of his family he discovers this other side and the dangers that it represents to everyday life as we know it The conspiracy and adventure that they're thrust into puts Samuel and the unexpected group of characters that form around him as all that stand between our world and this unseen threat Buckle up as this fast paced adrenaline fueled adventure introduces you to fantastical worlds and a group of diverse characters that you're bound to laugh and cry with as you share in their experiences Paths of the Na'gee is the first volume in the Reflections of Worlds series that is sure to keep readers of all genres not only on the edge of their seats but also impatiently awaiting the next adventure in the series Enjoy the ride Order of the Fallen MJ Fletcher, **Dancing On the Wind** Mary Jo Putney,2011-10-31 Dangerous Deceivers Like his nickname Lucifer Lord Strathmore is known for unearthly beauty and diabolical cleverness A tragic past has driven Lucien to use his formidable talents to protect his country from hidden enemies

It's a job he does superbly well until he meets a mysterious woman whose skill at deception is the equal of his own. By turns glamorous and subdued, his enchanting adversary baffles his mind even as she dazzles his senses. A perilous mission has forced Kit Travers into a deadly game of shifting identities and needful lies where a single misstep might cost Kit her life. But her disguises are easily penetrated by the Earl of Strathmore who may be a vital ally or a lethal enemy. Unwilling to trust yet unable to part, Kit and Lucien join forces to search the dangerous underside of London society. Yet even two master deceivers cannot escape passion's sensual web or from an impossible love more precious than life itself.

A Romance Writers of America RITA winner for Best Long Historical Romance Books in the Fallen Angels series: Book 1 Thunder Roses, Book 2 Dancing on the Wind, Book 3 Petals in the Storm, Book 4 Angel Rogue, Book 5 Shattered Rainbows, Book 6 River of Fire, Book 7 One Perfect Rose. Praise for Dancing on the Wind: "With surprises around every turn of the page and a story that keeps you guessing right up until the end, Dancing on the Wind is Mary Jo Putney at her best, combining suspense, humor, and a unique style of sensuality perhaps surprising to gentle readers. Readers will be enthralled and enraptured with this irresistible tale." Romantic Times: "Dancing on the Wind is another A read from one of the very best I count on Mary Jo Putney for a compelling story with characters who live and breathe, and most of all love. Lucien senses in Kit the change to regain a part of himself he had thought forever lost. Kit has always felt second best and finds it difficult to believe that she can trust in Lucien's love. Their love story is intense, emotional, and deeply satisfying." Under The Covers: "One of my favorite romances of all time." All About Romance
