**A History of American Consumption** Terrence Witkowski, 2017-09-14 The United States has been near the forefront of global consumption trends since the 1700s and for the past century and more Americans have been the world's foremost consuming people Informed and inspired by the literature from consumer culture theory as well as drawing from numerous studies in social and cultural history *A History of American Consumption* tells the story of the American consumer experience from the colonial era to the present in three cultural threads These threads recount the assignment of meaning to possessions and consumption the gendered ideology and allocation of consumption roles and resistance through anti consumption thought and action Brief but scholarly this book provides a thought provoking introduction to the topic of American consumption history informed by research in consumer culture theory By examining and explaining the core phenomenon of product consumption and its meaning in the changing lives of Americans over time it provides a valuable contribution to the literature on the subjects of consumption and its causes and consequences Readable and insightful it will be of interest to scholars and advanced students in consumer behaviour advertising and marketing and business history

*Prints of a New Kind* Allison M. Stagg, 2023-03-20 *Prints of a New Kind* details the political strategies and scandals that inspired the first generation of American caricaturists to share news and opinions with their audiences in shockingly radical ways Complementing studies on British and European printmaking this book is a survey and catalogue of all known American political caricatures created in the country's transformative early years as the nation sought to define itself in relation to European models of governance and artistry Allison Stagg examines printed caricatures that mocked events reported in newspapers and politicians in the United States fledgling government reactions captured in the personal papers of the politicians being satirized and the lives of the artists who satirized them Stagg's work fills a large gap in early American scholarship one that has escaped thorough art historical attention because of the rarity of extant images and the lack of

understanding of how these images fit into their political context Featuring 125 images many published here for the first time since their original appearance and a comprehensive appendix that includes a checklist of caricature prints with dates titles artists references and other essential information Prints of a New Kind will be welcomed by scholars and students of early American history and art history as well as visual material and print culture [Small Things in the Eighteenth Century](#) Chloe Wigston Smith, Beth Fowkes Tobin, 2022-09-29 Playful useful decorative revolutionary small things possess a rich array of meanings from the ordinary to the extraordinary [A People's History of Classics](#) Edith Hall, Henry Stead, 2020-02-26 A People's History of Classics explores the influence of the classical past on the lives of working class people whose voices have been almost completely excluded from previous histories of classical scholarship and pedagogy in Britain and Ireland from the late 17th to the early 20th century This volume challenges the prevailing scholarly and public assumption that the intimate link between the exclusive intellectual culture of British elites and the study of the ancient Greeks and Romans and their languages meant that working class culture was a Classics Free Zone Making use of diverse sources of information both published and unpublished in archives museums and libraries across the United Kingdom and Ireland Hall and Stead examine the working class experience of classical culture from the Bill of Rights in 1689 to the outbreak of World War II They analyse a huge volume of data from individuals groups regions and activities in a huge range of sources including memoirs autobiographies Trade Union collections poetry factory archives artefacts and documents in regional museums This allows a deeper understanding not only of the many examples of interaction with the Classics but also what these cultural interactions signified to the working poor from the promise of social advancement to propaganda exploited by the elites to covert and overt class war A People's History of Classics offers a fascinating and insightful exploration of the many and varied engagements with Greece and Rome among the working classes in Britain and Ireland and is a must read not only for classicists but also for students of British and Irish social intellectual and political history in this period Further it brings new historical depth and perspectives to public debates around the future of classical education and should be read by anyone with an interest in educational policy in Britain today [Novels, Needleworks, and Empire](#) Chloe Wigston Smith, 2024-03-12 The first sustained study of the vibrant links between domestic craft and British colonialism In the eighteenth century women's contributions to empire took fewer official forms than those collected in state archives Their traces were recorded in material ways through the ink they applied to paper or the artifacts they created with muslin silk threads feathers and shells Handiwork such as sewing knitting embroidery and other crafts formed a familiar presence in the lives and learning of girls and women across social classes and it was deeply connected to colonialism Chloe Wigston Smith follows the material and visual images of the Atlantic world that found their way into the hands of women and girls in Britain and early America in the objects they made the books they held the stories they read and in doing so adjusted and altered the form and content of print and material culture A range of artifacts made by women including makers of color brought the global into conversation

with domestic crafts and consequently placed images of empire and colonialism within arm's reach Together fiction and handicrafts offer new evidence of women's material contributions to the home's place within the global eighteenth century revealing the rich and complex connections between the global and the domestic      **Transactions of the Historic Society of Lancashire and Cheshire for the Year ...** Historic Society of Lancashire and Cheshire, 2007 List of members in each volume      **National Art-Collections Fund Review** National Art-Collections Fund (Great Britain), 2007      Ceramics in America 2006 Robert Hunter, 2006 A diverse range of essays new discoveries and book reviews on the latest research for interest to ceramic scholars      Naval Wives & Mistresses Margarette Lincoln, 2007 An innovative study of naval women who stayed at home while their men went to sea Focusing on the second half of the 18th century a period when Britain was almost continuously at war this book looks at different social groups from the aristocratic elite to the labouring and criminal poor prostitutes and petty thieves      **Newsletter** Society for Historical Archaeology, 2006      Business Archives , 2006
