England's landscape is as diverse as its culture. It is a country with magnificent landscapes. This guide looks at the more established places of interest throughout the country but it also focuses on the more secluded and little known visitor attractions and places to stay, eat and drink.      **The Hidden Places of England** Barbara Vesey, 2000. An easy to use travel guide noted for its wealth of interesting geographical and historical information on the UK. This guide concentrates on the more secluded and less well known visitor attractions and places to eat and stay while covering the more established places of interest. Includes line drawings of each place, addresses and telephone numbers.      **The Secret Life of Hidden Places** Stefan Bachmann, April Genevieve Tucholke, 2024-02-13. A spellbinding tour filled with stories and photographs of some of the world's most fascinating architectural mysteries. This wondrous guide for the curious and the intrepid takes readers on a lushly photographed and lyrically written tour of eighteen of the world's most captivating architectural mysteries. Delve into both the secretive places themselves and the eccentric and obsessive minds that created them. Visit a chamber of skulls high in the Swiss Alps, a Japanese temple full of traps, a Parisian apartment locked and untouched since World War II, a Prohibition era speakeasy in Washington DC and a spooky initiation well in Portugal built by a secret society. How far down can you climb before losing your nerve.      **The Hidden Inns of the Heart of England** Barbara Vesey, 2001. Another title in the Hidden Inns series of regional guides which cover hidden pubs and inns throughout the UK. The series originates from the enthusiastic suggestions of the landladies and landlords of inns reviewed in the Hidden Places series of travel guides and from Hidden Places readers who want to be directed to traditional inns with atmosphere and character which are so much part of our British heritage. The inns reviewed in the book may have been coaching inns and have definitely been a part of the history of the village or town in which they are located for many many years. All of the inns reviewed have been visited by a Travel Publishing researcher and all serve food and drink. Many also offer the visitor accommodation.      **Secret Places, Hidden Sanctuaries** Stephen Klimczuk, Gerald Warner, 2009. Gain unprecedented access to such secret places and hidden sanctuaries as      **The Bookseller and the Stationery Trades' Journal**, 1922      **Directories in Print 28 V3 Supplement**, 2008-05      *The Bookseller*, 1922      **Into the Secret Heart of Ashdown Forest: A Horseman's Country Diary** Julian Roup, 2021-02-28. Into the Secret Heart of Ashdown Forest is a love letter after a forty year affair. Wry, funny, moving and vivid, this memoir chronicles the life of the author and the ten square miles of country he calls his Kingdom. This book is as good as a brisk walk in the woods on an autumn day. Written with love and passion, it is a hymn to landscape and freedom. It is a close and deep observation of the writer's adopted country, the fabled Ashdown Forest in East Sussex, England, the home of Winnie the Pooh where he has lived and ridden for the past forty years. His gift is the ability to take you deep into the landscapes that make this place resonate in his heart: its streams, woods, heathlands. You meet its literary residents: A. A. Milne, Sir Arthur

Conan Doyle Ezra Pound and W B Yeats You get beneath its skin among the networks of fungi that allow the trees to speak You taste its foods meet its locals both the living and the ghosts and see its huge importance during the plague year 2020 21 through the pandemic lockdowns His passion for horses shines through these pages and his writing is as he himself says a form of moving meditation He takes you under the soil of this place and he leaves a soft glow on the landscape when he is gone

**Secret Spaces: Sacred Treasures in England 1066-1320** Lesley Milner, 2024-05-27 The medieval treasure house consisting of sacristy vestry and treasure rooms was the depository for the ecclesiastical treasure belonging to a church holy vessels vestments altar hangings candlesticks and priceless liturgical books and reliquaries It was carefully designed to convey the message of its status and function A book devoted to these medieval museums which housed such precious materials is long overdue Ironically the interest in the objects that they conserved has often resulted in ecclesiastical treasure being removed to new museums leaving their former places of protection in need of protection themselves

Haunted Spaces in Twenty-First Century British Nature Writing Anneke Lubkowitz, 2020-06-08 This study investigates the figure of haunting in the New Nature Writing It begins with a historical survey of nature writing and traces how it came to represent an ideal of natural space as empty of human history and social conflict Building on a theoretical framework which combines insights from ecocriticism and spatial theory the author explores the spatial dimensions of haunting and hauntology and shows how 21st century writers draw on a Gothic repertoire of seemingly supernatural occurrences and spectral imagery to portray natural space as disturbed uncanny and socially contested Iain Sinclair and Robert Macfarlane are revealed to apply psychogeography's interest in hidden histories and haunted places to spaces associated with wilderness and the countryside Kathleen Jamie's allusions to the Gothic are put in relation to her feminist re-writing of the outdoors and John Burnside's use of haunting is shown to dismantle fictions of the far north This book provides not only a discussion of a wide range of factual and fictional narratives of the present but also an analysis of the intertextual dialogue with the Romantic tradition which enfolds in these texts
