The Matter Of Shiva:

Shiva's Own Story K. Chandra Sekhar, 2011 The Brihakatha or Lord Shiva's narrative to his wife Parvati is featured in Gunadhya's epic composition Katha Sarita Sagara in Sanskrit Somadeva's adaptation retains the storyline with Lord Shiva substituting for Lord Kubera the God of Wealth C H Tawney blending pure Hindu mythology with Buddhist and tantric beliefs translated the story into English as The Ocean of a Story which runs 12 volumes and includes footnotes Shiva's Own Story is a condensed version of Tawney's work The setting of the stories is India in the 10th and 11th centuries when the country was composed of many small kingdoms and fiefdoms There was no dearth of monarchs with dynastic ambitions The king was usually advised by an intelligent and devoted Brahman minister The heir apparent the crown prince had a circle of friends mostly sons of the king's ministers who became part of the cabinet when the prince became king Intrigue was rife and matrimonial alliances were often a strategy to expand the kingdom In a country where illiteracy is still formidable storytelling is a means of promoting and propagating religious and moral culture *Jesus Christ and The Spirit of Truth* Vigyan Mitra, 2022-04-04 A true insight into what goes on around us all the time Science and spirit body and mind on the same page

They Sing the Wedding of God John Napier, 2013-06-12 In Rajasthan India a caste of musicians and mendicants the Nath Jogis sing stories of kings who renounce their thrones to become wandering mendicants They also sing of a god Mahadeva Shiva who must abandon his world renouncing life and marry thus establishing the very caste that tells his story This is the first detailed ethnomusicological study of the music of this caste examining how the existential questions of the sung stories of the conflict between loyalty to families or communities and the transcending desire to renounce the material world are articulated in musical performances in which the caste's own ethnography is inscribed Discussing the relationship between the performed repertoire and the caste's identity the contexts of performance and ways in which familiar stories are effectively retold the book offers a transcription translation and musical and ethnographic analysis of one performance by Kishori Nath and shows how the questions the performances project are not merely speculative acts of self identification but also challenges to audiences to consider their own responses **Dogri Folk Tales**, 2001 The Tales In This Volume Provide A Peep Into The Backyard Of Dogra Culture Here Gods And Goddesses Assume Human Forms And Join Human Beings To Drive Home Some Important Truth Or Moral Lesson Anything Is Possible In This World Of Make Believe But The Values Enshrined In The Tales Are Clear Quite A Few Tales Included Here Have A King Prince Or Princess As The Main Character The Reason Being That Duggar Was For Long A Land Or Rajas And Petty Zamindars And Feudal Chiefs There Are Also Some Interesting Women Centred Tales Portraying Their Superior Intelligence Out Witting Men Meru Mukundchandra G. Raval, 2016-06-10 Meru is referred to talked about heard of compared to and discussed about without exception in all books and discourses of religions in Bharat Meru is regarded as the tallest and most pious mountain having abodes of all Gods and Semi Gods of all faiths Unfortunately nobody can confidently pinpoint the place of Meru in spite of indicative addresses

available in scriptures Generally Hindus believe it to be beyond Himalayas Buddhists say it is in Tibet Jains say it exists but it cannot be seen This is because of unsatisfactory solutions to its conflicting descriptions For example the Sun never sets on Meru but does set at the base of it In this book satisfactory solutions have been explained with convincing reasons Establishing Meru on the equator at Bhugol Madhye the author ventures to replace Greenwich Mean Time GMT with Meru Mean Time MMT for the reasons based on his findings Also the myth of fourteen Ratnas Gems coming out during Samudra Manthan churning of the ocean has been explained in a lucid manner Meru no longer remains a matter of miracle myth or mystery but a history

Shakti and Shâkta Sir John George Woodroffe, 1920 **Shakti and Shâkta Essays and Addresses on the Shâkta Tantrashâstra** Arthur Avalon (Sir John Woodroffe), The general Indian Religion or Bharata Dharma holds that the world is an Order or Cosmos It is not a Chaos of things and beings thrown haphazard together in which there is no binding relation or rule The world order is Dharma which is that by which the universe is upheld Dharmate Without Dharma it would fall to pieces and dissolve into nothingness But

this is not possible for though there is Disorder Adharma it exists and can exist only locally for a time and in particular parts of the whole Order however will and from the nature of things must ultimately assert itself And this is the meaning of the saying that Righteousness or Dharma prevails This is in the nature of things for Dharma is not a law imposed from without by the Ukase of some Celestial Czar It is the nature of things that which constitutes them what they are Svalakshana dharanat Dharma It is the expression of their true being and can only cease to be when they themselves cease to be Belief in righteousness is then in something not arbitrarily imposed from without by a Lawgiver but belief in a Principle of Reason which all men can recognize for themselves if they will Again Dharma is not only the law of each being but necessarily also of the whole and expresses the right relations of each part to the whole This whole is again harmonious otherwise it would dissolve The principle which holds it together as one mighty organism is Dharma The particular Dharma calls for such recognition and action in accordance therewith Religion therefore which etymologically means that which obliges or binds together is in its most fundamental sense the recognition that the world is an Order of which each man being and thing is a part and to which each man stands in a definite established relation together with action based on and consistent with such recognition and in harmony with the whole cosmic activity Whilst therefore the religious man is he who feels that he is bound in varying ways to all being the irreligious man is he who egoistically considers everything from the standpoint of his limited self and its interests without regard for his fellows or the world at large The essentially irreligious character of such an attitude is shown by the fact that if it were adopted by all it would lead to the negation of Cosmos that is Chaos Therefore all Religions are agreed in the essentials of morality and hold that selfishness in its widest sense is the root of all sin Adharma Morality is thus the true nature of man The general Dharma Samanya Dharma is the universal law governing all just as the particular Dharma Vishesha Dharma varies with and is peculiar to each class of being It follows from what is above stated that disharmony is suffering This is an obvious fact Wrong conduct is productive of ill as right conduct is productive of good As a man sows so he will reap There is an Immanent Justice But these results though they may appear at once do not always do so The fruit of no action is lost It must according to the law of causality which is a law of reason bear effect If its author does not suffer for it here and now in the present life he will do so in some future one Birth and death mean the creation and destruction of bodies The spirits so embodied are infinite in number and eternal The material universe comes and goes

The Purans volume-02 Chandra Sekhar Singh, 2016-12-08 The Puranas are 18 in number and in the first 6 Puranas Lord Vishnu is the predominating deity and in the next 6 Puranas Lord Brahma is the predominating deity and in the last 6 Puranas Lord Shiva is the predominating deity and all the Puranas are written in such a way that which gives wonderful explanation in a poetry manner It will be wonderful to read about the greatness of Lord Vishnu Lord Shiva and Lord Brahma in all the Puranas The list of 18 Puranas are as follows along with the verses that are available in each Purana along with the description Reflections of the Self Sandeep Trichal, 2018-11-16 It needs immense focus and determination to write a

memoir not to mention the discipline and a routine However the most difficult part of writing a memoir is coming to terms with the self And discovering the self is such a complex process There are layers and layers of the self that have to be exposed and the end product is the nakedness that is described in the form of words in this memoir Sometimes it is easy to peel off these layers of prejudices and memories some biases and some emotions but the final outcome is not something that is the gospel truth It is so because there is nobody to question you on the sort of line of thinking and words that you choose to represent the body of a memoir in the sense that everything preordained by the way one's neural networks are wired That's why I titled this memoir as reflections of the self as the true nature of the self cannot possibly be determined merely by words and just by living one life It takes several iterations when one truly understands the real self and perhaps that is what liberation or Moksha is all about
