C. Newport,2006-04-13 What were the beliefs of the Branch Davidians This is the first full scholarly account of their history Kenneth G C Newport argues that far from being an act of unfathomable religious insanity the calamitous fire at Waco in 1993 was the culmination of a long theological and historical tradition that goes back many decades The Branch Davidians under David Koresh were an eschatologically confident community that had long expected that the American government whom they identified as the Lamb like Beast of the book of Revelation would one day arrive to seek to destroy God s remnant people The end result the fire must be seen in this context If These Walls Could Talk: Oakland A's Ken Korach,Susan Slusser,Dennis Eckersley,2019-04-02 Throughout their history the Oakland Athletics have been one of the most audacious and individual franchises in all of baseball As the longtime radio voice of the A s Ken Korach has called countless improbable unforgettable moments As the San Francisco Chronicle s veteran beat reporter Susan Slusser has become the preeminent scribe of the A s modern era Both have witnessed more than their share of team history up close and personal In If These Walls Could Talk Oakland A s Korach and Slusser provide insight into the A s inner sanctum as only they can Readers will gain the perspective of players coaches and front office executives in times of greatness as well as defeat making for a keepsake no fan will want to miss **The Dracula Tape** Fred Saberhagen,2020-01-30 The never before told story behind the legend of Count Dracula The story of the Count s greatest love Mina Harker and the bloodthirsty vampire hunters whose cruel pursuit drove the master of the night to actions ever more ruthless The Count Dracula sets the record straight The first in the Saberhagen Dracula series **Eclectic Mix Tape** Rick R. Reed,2023-05-27 The stories in this collection by best selling author Rick R Reed range from laugh out loud funny to tear inducing poignancy to get your hackles up scary to fan yourself erotic Within the pages you re sure to find something to titillate delight provoke thoughts and induce tears maybe all in one story As diverse as this collection is each story speaks to the power of love how it unites us how it can free us how it can imprison us and most of all how it redeems us Love speaks to our greater good our most cherished dreams and our deep need for connection Revel in these fifteen tales and discover a world populated by people who want the most

cherished of all human connections and who find it often in the most unusual of places The Forger Jerry Kennealy,
