Its 3,500 entries cover every genre, from fairy tales to chapbooks, school stories to science fiction, comics to children's hymns. A whole generation of new authors and illustrators are showcased, with books like *Dogger*, *The Hunger Games* and *Twilight* making their first appearance. There are articles on developments such as manga, fan fiction and non-print publishing, and there is additional information on prizes and prizewinners. This accessible A to Z is the first place to look for information about the authors, illustrators, printers, publishers, educationalists and others who have influenced the development of children's literature, as well as the stories and characters at their centre.
