Dr. Mutter's Marvels Cristin O'Keefe Aptowicz,2015-09-08 A mesmerizing biography of the brilliant and eccentric medical innovator who revolutionized American surgery and founded the country s most famous museum of medical oddities Imagine undergoing an operation without anesthesia performed by a surgeon who refuses to sterilize his tools or even wash his hands This was the world of medicine when Thomas Dent M tter began his trailblazing career as a plastic surgeon in Philadelphia during the mid nineteenth century Although he died at just forty eight M tter was an audacious medical innovator who pioneered the use of ether as anesthesia the sterilization of surgical tools and a compassion based vision for helping the severely deformed which clashed spectacularly with the sentiments of his time Brilliant outspoken and brazenly handsome M tter was flamboyant in every aspect of his life He wore pink silk suits to perform surgery added an umlaut to his last name just because he could and amassed an immense collection of medical oddities that would later form the basis of Philadelphia s renowned M tter Museum Award winning writer Cristin O Keefe Aptowicz vividly chronicles how M tter s efforts helped establish Philadelphia as a global mecca for medical innovation despite intense resistance from his numerous rivals Foremost among them Charles D Meigs an influential obstetrician who loathed M tter s overly modern medical opinions In the narrative spirit of *The Devil in the White City* Dr M tter s *Marvels* interweaves an eye opening portrait of nineteenth century medicine with the riveting biography of a man once described as the P T Barnum of the surgery room

The Serial Killer Next Door Richard Estep,2023-01-31 How well do you know your neighbors Maybe you should get to know them better Growing up we are taught that monsters are easy to identify but the truth is very different Too often the serial murderer does not stand out Otherwise he or she would get caught The contrast between the ordinary seeming lives that provided cover for their cruel secrets is exposed in *The Serial Killer Next Door* The Double Lives of Notorious Murderers To their coworkers neighbors and others who knew them they led unremarkable lives They had careers as military pilots police officers landscapers small business owners farmers realtors reporters authors veterinary technicians nurses doctors handymen painters and chefs while they simultaneously stalked city suburbs college

campuses trailer parks and red light districts This chilling book looks at the horrifying stories of nearly 30 malevolent killers and hundreds of innocent victims who were mistakenly trusted including Genene Jones a nurse responsible for the murder of 60 infants and children in her care She s said to be the inspiration for Stephen King s iconic character of Annie Wilkes in Misery and her nephew broke into King s home threatening to blow up the writer and his family because of it Robert Lee Yates a helicopter pilot in the Army National Guard who when caught buried one body outside his bedroom window as his wife slept Gary Ridgway also known as the Green River Killer went undetected for 20 years working for 30 years as a painter for a truck company and married for 17 years Kathleen Folbigg whose three children were at first thought to have died from natural causes She only got caught when her husband found her personal diary Joseph James DeAngelo who worked various jobs including as a police officer and a truck mechanic He went on a decades long crime spree and was finally caught with the help of DNA evidence His case was instrumental in the establishment of California s DNA database And dozens of other serial killers It s chilling to realize that many serial killers have created second lives that are completely divorced from the brutality and evils they commit It s incomprehensible to think that they are able to flip a switch transforming them from apparently loving ordinary men and women into torturous homicidal slaughterers With more than 120 photos and graphics The Serial Killer Next Door is richly illustrated Its helpful bibliography and extensive index add to its usefulness We trust our neighbors coworkers and acquaintances Of course we do It s ominous to think that we can t
