The Memoirs Of Jean Laffite

David Head (Historian)

The Memoirs Of Jean Laffite:

The Memoirs of Jean Laffite Jean Laffite, 2000-04-10 Jean Laffite was born in Santo Domingo and raised by a Spanish Jewish grandmother who instilled in him a hatred for the Spanish Crown and those who served it. Later this hatred grew to include the British. Following in the footsteps of his eldest brother Alexandre Jean and his brother Pierre became privateers for France under the command of their uncle Rene Beluchai. Laffite describes in detail the capture of a Spanish ship and its crew's fate. After a period of seizing enemy vessels the two brothers go to France to join Napoleon's armies. Instead they find themselves in enemy prisons and upon release they return to the Caribbean where they resume depredations against Spanish and British ships. The slave uprising in Haiti sends the brothers to the safety of Louisiana where they establish Barataria as a smuggling center into New Orleans and up river. Jean and Louisiana governor Claiborne become enemies who mutually post rewards on the others' head. Only the arrival of the British offering a pardon and a bribe to Laffite breaks the impasse between the Baratarians and the Americans. Laffite's aid to General Andrew Jackson is well known and is the basis of his place in American history. After the victory Jean received a pardon but no indemnification for his financial losses during the war years. Fruitless trips to Washington confirmed to Laffite the necessity of resuming old habits and he established a new privateer settlement in Spanish territory on Galveston Island. A hurricane's destruction and a changing world backed by the power of the U.S. Navy led to the second dissolution of the Laffite enterprise. Jean and the last of his men quit Galveston settlement as it flamed lighted by their own hands. Freelance plundering became more and more dangerous until Jean and Pierre decided to call it quits and spread the rumor of their violent demise and burial on the Yucatan coast. The brothers split their swag, buried some, and went their separate ways. Jean, who had lost a young wife during the birth of their third child, found a young wife in Charleston, South Carolina. They began his second family in Philadelphia before moving to St. Louis, Missouri to end their years. Jean Laffite maintained his anonymity but worked behind the scenes for causes he held dear. The former slaver became an abolitionist under the influence of his new wife and after a visit to Europe in 1847 he even became a socialist supporter of the young Karl Marx. He saw himself as a benefactor of mankind but even at the end of his memoirs he did not forget to proclaim "Down with the British dragon." *Privateers of the Americas* David Head (Historian), 2015 Head examines raids on Spanish shipping conducted from the United States during the early 1800s. Because privateering further complicated international dealings during the already tumultuous Age of Revolution this study offers a new perspective on the diplomatic and Atlantic history of the early American republic. **1812** Jon Latimer, 2009-07-01 Listen to a short interview with Jon Latimer. Host Chris Gondek. Producer Heron. The Battle of Lake Erie, the burning of Washington, the death of Tecumseh, Andrew Jackson's victory at New Orleans but their war of conquest was ultimately a failure. Even the issues of neutrality and impressment that had triggered the war were not resolved in the peace treaty. For Britain the war was subsumed under a long conflict to stop Napoleon and to preserve the empire. The one lasting result of the war was in Canada.

where the British victory eliminated the threat of American conquest and set Canadians on the road toward confederation Latimer describes events not merely through the eyes of generals admirals and politicians but through those of the soldiers sailors and ordinary people who were directly affected Drawing on personal letters diaries and memoirs he crafts an intimate narrative that marches the reader into the heat of battle The Pirates Laffite William C. Davis,2006-05-01 An engrossing and exciting account of legendary New Orleans privateers Pierre and Jean Laffite and their adventures along the Gulf Coast Booklist starred review At large during the most colorful period in New Orleans history from just after the Louisiana Purchase through the War of 1812 privateers Jean and Pierre Laffite made life hell for Spanish merchants on the Gulf Pirates to the US Navy officers who chased them heroes to the private citizens who shopped for contraband at their well publicized auctions the brothers became important members of a filibustering syndicate that included lawyers bankers merchants and corrupt US officials But this allegiance didn't stop the Laffites from becoming paid Spanish spies disappearing into the fog of history after selling out their own associates William C Davis uncovers the truth about two men who made their names synonymous with piracy and intrigue on the Gulf *Don't Give Up the Ship!* Donald R. Hickey,2024-03-18 No longer willing to accept naval blockades the impressment of American seamen and seizures of American ships and cargos the United States declared war on Great Britain The aim was to frighten Britain into concessions and if that failed to bring the war to a swift conclusion with a quick strike at Canada But the British refused to cave in to American demands the Canadian campaign ended in disaster and the U S government had to flee Washington D C when it was invaded and burned by a British army By all objective measures the War of 1812 was a debacle for the young republic and yet it was celebrated as a great military triumph The American people believed they had won the war and expelled the invader Oliver H Perry became a military hero Francis Scott Key composed what became the national anthem and commenced a national reverence for the flag and the U S S Constitution Old Ironsides became a symbol of American invincibility Every aspect of the war from its causes to its conclusion was refashioned to heighten the successes obscure the mistakes and blur embarrassing distinctions long before there were mass media or public relations officers in the Pentagon In this entertaining and meticulously researched book by America's leading authority on the War of 1812 Donald R Hickey dispels the many misconceptions that distort our view of America's second war with Great Britain Embracing military naval political economic and diplomatic analyses Hickey looks carefully at how the war was fought between 1812 and 1815 and how it was remembered thereafter Was the original declaration of war a bluff What were the real roles of Canadian traitor Joseph Willcocks Mohawk leader John Norton pirate Jean Laffite and American naval hero Lucy Baker Who killed the Shawnee chief Tecumseh and who shot the British general Isaac Brock Who actually won the war and what is its lasting legacy Hickey peels away fantasies and embellishments to explore why certain myths gained currency and how they contributed to the way that the United States and Canada view themselves and each other **Chalmette Unit, Jean Lafitte National Historical Park and Preserve** Jerome A.

Greene,1985 **Cat Island** John Cuevas,2014-01-10 Just off the coast of the Gulf Islands National Seashore lies Cat Island an isolated T shaped sliver of sand with a remarkable past A coveted hiding place for Jean Lafitte s pirate treasure in the late eighteenth century and illegal booze during Prohibition Cat Island also witnessed the first shots of the Battle of New Orleans an encampment for Seminoles during the Trail of Tears and the first lighthouses on the Mississippi coast As a child author John Cuevas learned that his family had owned and lived on the island for three generations beginning with his ancestor Juan de Cuevas referred to as The King of Cat Island who received it by way of a Spanish land grant In this engaging work Cuevas chronicles the historic events that occurred on the island s shores and offers a tribute to the legacy of one of the Gulf Coast s pioneer families Historic Resource Study, Chalmette Unit, Jean Lafitte National Historical Park and Preserve Jerome A. Greene,1985 Historical and Archeological Investigations at the Chalmette Battlefield, Jean Lafitte National Historical Park and Preserve Ted Birkedal,2009 Originally commissioned in 1984 this report deals with the historical geography and archeology of the Battle of New Orleans during the War of 1812 as it pertained to the Chalmette Battlefield It touches upon how people put the battlefield to use after the War of 1812 as a place for generations of people as they live work and play Also covered are some of the things both bad and good we have done over the years to commemorate the battle and remember this important event in our nation s past *The Beale Papers* Robert N. Williams,2005

As recognized, adventure as capably as experience just about lesson, amusement, as well as union can be gotten by just checking out a book **The Memoirs Of Jean Laffite** also it is not directly done, you could say you will even more vis--vis this life, vis--vis the world.

We find the money for you this proper as skillfully as easy habit to get those all. We present The Memoirs Of Jean Laffite and numerous books collections from fictions to scientific research in any way. along with them is this The Memoirs Of Jean Laffite that can be your partner.
