The definitive biography of the great soldier statesman by the acclaimed author of Churchill and The Last King of America winner of the LA Times Book prize finalist for the Plutarch prize winner of the Fondation Napoleon prize and a New York Times bestseller A thrilling tale of military and political genius Roberts is an uncommonly gifted writer The Washington Post Austerlitz Borodino Waterloo his battles are among the greatest in history but Napoleon Bonaparte was far more than a military genius and astute leader of men Like George Washington and his own hero Julius Caesar he was one of the greatest soldier statesmen of all times Andrew Roberts's Napoleon is the first one volume biography to take advantage of the recent publication of Napoleon's thirty three thousand letters which radically transform our understanding of his character and motivation At last we see him as he was protean multitasker decisive surprisingly willing to forgive his enemies and his errant wife Josephine Like Churchill he understood the strategic importance of telling his own story and his memoirs dictated from exile on St Helena became the single bestselling book of the nineteenth century An award winning historian Roberts traveled to fifty three of Napoleon's sixty battle sites discovered crucial new documents in archives and even made the long trip by boat to St Helena He is as acute in his understanding of politics as he is of military history Here at last is a biography worthy of its subject magisterial insightful beautifully written by one of our foremost historians *Memoirs of Napoleon Bonaparte — Complete* Louis Antoine Fauvelet de Bourrienne, 2022-09-04
In *Memoirs of Napoleon Bonaparte Complete* Louis Antoine Fauvelet de Bourrienne offers an unprecedented insider's perspective on the life and reign of one of history's most enigmatic figures Bourrienne a former secretary to Napoleon employs a candid narrative style that blends personal anecdotes with political commentary allowing readers to glimpse the complexities of Napoleon's character and decisions The memoir serves as both a historical document and a critical analysis of the era's socio political landscape reflecting Bourrienne's nuanced understanding of the intricate power dynamics at play during the Napoleonic Wars Bourrienne's unique position in Napoleon's inner circle informed his portrayal of the Emperor revealing insights that others could only speculate about Born into a modest family Bourrienne's education and early involvement in political circles

coupled with his direct experiences with Napoleon equipped him with the tools to narrate this compelling account His eventual estrangement from Napoleon adds a layer of depth demonstrating the complexities of loyalty ambition and the often murky waters of political alliances Highly recommended for both history enthusiasts and casual readers alike Bourrienne s memoir is a vital contribution to Napoleonic literature It not only illuminates the enigmatic personality of Napoleon Bonaparte but also provides a rich context for understanding the broader historical implications of his reign This edition is essential for anyone seeking to comprehend the intricacies of European history during a transformative era [Memoirs of Napoleon - Complete - The Original Classic Edition](#) ,2012-03-01 This is a shocking work on Bonaparte s life and deeds and on that period of world s History alike The De Bourrienne first hand impressions make the difference between this book and others Louis Antoine Fauvelet de Bourrienne July 9 1769 February 7 1834 French diplomat was born at Sens He was educated at the military school of Brienne in Champagne along with Napoleon Bonaparte and although the solitary habits of the latter made intimacy difficult the two youths seem to have been on friendly terms However the stories of their very close friendship as told in Bourrienne s memoirs are open to suspicion Leaving Brienne in 1787 and conceiving a distaste for the army Bourrienne proceeded to Vienna He was pursuing legal and diplomatic studies there and afterwards at Leipzig when the French Revolution broke out and went through its first phases Not until the spring of 1792 did Bourrienne return to France at Paris he renewed his acquaintance with Bonaparte They led a Bohemian life together and among other incidents of that exciting time they witnessed the mobbing of the royal family in the Tuileries June 20 and the overthrow of the Swiss Guards at the same spot August 10 Bourrienne next obtained a diplomatic appointment at Stuttgart and soon his name was placed on the list of political migr s from which it was not removed until November 1797 Nevertheless after the affair of 13th Vend miaire October 5 1795 he returned to Paris and renewed his acquaintance with Bonaparte who was then second in command of the Army of the Interior and soon received the command of the Army of Italy Bourrienne did not proceed with him into Italy but was called there by the victorious general at the time of the long negotiations with Austria May October 1797 when his knowledge of law and diplomacy was useful in drafting the terms of the Treaty of Campo Formio October 7 The following year he accompanied Bonaparte to Egypt as his private secretary and left a vivid if not very trustworthy account of the expedition in his memoirs He also accompanied him on the adventurous return voyage to Fr jus September October 1799 and was of some help in the affairs that led up to the coup d tat of Brumaire November 1799 He remained by the side of the First Consul in his former capacity but in the autumn of 1802 incurred Bonaparte s displeasure ostensibly because of questionable financial dealings In the spring of 1805 he was sent as French envoy to the free city of Hamburg There it was his duty to carry out the measures of commercial war against England known as the Continental System but it is known that he not only viewed those tyrannical measures with disgust but secretly relaxed them in favour of those merchants who plied him with douceurs In the early spring of 1807 when directed by Napoleon to order a large number of military

cloaks for the army then in East Prussia he found that the only means of procuring them expeditiously was to order them from England After gaining a large fortune while at Hamburg he was recalled to France in disgrace at the close of 1810 In 1814 he embraced the royal cause and during the Hundred Days 1815 accompanied Louis XVIII to Ghent The rest of his life was uneventful he died at Caen on February 7 1834 after suffering from a mental malady for two years *Washington and Napoleon* Matthew J. Flynn, Stephen E. Grffin, 2012 Two political and military giants compared 1769-1800 Pierre Lanfrey, 1886 **Napoléon Bonaparte** Joshua Meeks, 2019-11-10 Napol on Bonaparte A Reference Guide to His Life and Works cover all aspects of his life and work from his birth in Corsica to his death in St Helena Includes a detailed chronology of Napol on Bonaparte s life family and work The A to Z section includes the major events places and people in Napoleon s life Appendixes listing Napoleon s marshals his family a selection of the most important battles and a selection of the most significant treaties or documents The bibliography includes a list of publications concerning his life and works The index thoroughly cross references the chronological and encyclopedic entries
