The Memory Of Old Jack:

The Memory of Old Jack Wendell Berry, 2010-05 In a rural Kentucky river town Old Jack Beechum a retired farmer sees his life again through the shades of one burnished day in September 1952 Bringing the earthiness of America's past to mind The Memory of Old Jack conveys the truth and integrity of the land and the people who live from it Through the eyes of one man can be seen the values Americans strive to recapture as we arrive at the next century **The Unforeseen Self in the**

Works of Wendell Berry Janet Goodrich, 2001 In this fresh approach to Wendell Berry's entire literary canon Janet Goodrich argues that Berry writes primarily as an autobiographer and as such belongs to the tradition of autobiography Goodrich maintains that whether Berry is writing poetry fiction or prose he is imagining and re-imagining his own life from multiple perspectives temporal as well as imaginative *All Swirling and Weaving* Douglas Basler, 2025-09-30 Jesus invitation is simple enough Come follow me Matthew 4:19 But both the conditions of our culture and the conditions of our hearts can make following him difficult We need help re-tuning our hearts to the good news of Jesus and the often slow ways of God The habit of reading fiction can serve as one of our greatest allies A good book can open our own stories in new ways Reading slows us down It invites us to pay attention to the details of life And following Jesus only happens in the details We can only walk in faith hope and love within the unique circumstances of our lives Inspired by the wisdom and wonder of writers like Wendell Berry James McBride and Marilynne Robinson *All Swirling and Weaving* models how the reading life can help us see the ways God is at work in our own stories With humor vulnerability and a pastoral heart Douglas Basler weaves together the fruit of reading twelve contemporary novels with Biblical reflection and experiences from his own life and ministry Fiction has the power to renew our Christian imagination in ways other reading does not **Earthly Words** John R.

Cooley, 1994 An essential collection of criticism on the leading nature writers of today Telling the Stories Right Jack Baker, Jeffrey Bilbro, 2018-03-26 Wendell Berry thinks of himself as a storyteller It's somewhat ironic then that he is better known as an essayist a poet and an advocate for small farmers The essays in this collection consider the many facets of Berry's life and work but they focus on his efforts as a novelist and story writer Indeed Berry had already published three novels before his seminal work of cultural criticism *The Unsettling of America* established him as an ardent defender of local communities and sustainable agriculture And over the past fifty years he has published eight novels and more than forty-eight short stories set in the imagined community of Port William His exquisite rendering of this small Kentucky town challenges us to see the beauty of our own places and communities and to tend their health threatened though it inevitably is The twelve contributors to this collection approach Berry's fiction from a variety of perspectives literary studies journalism theology history songwriting to shed light on its remarkable ability to make a good life imaginable and compelling The first collection devoted to Berry's fiction this volume insists that any consideration of Berry's work must begin with his stories

Preaching in Place Mark R. Rigg, 2022-06-29 Why is preaching so often bad Why is worship so often dull Why do Sunday

mornings so often fail to help the folks in the pews live a faithful life from week to week And what can be done about it Many will tell us that there are easy and purchasable fixes More technology Less tradition Virtual worship Thinking big The land and the farm model for us a different path As Mark Rigg shows in this concise introduction to Wendell Berry the themes that have illuminated the Kentucky farmer s essays fiction and poetry for fifty years have a great deal to say to the church They offer an agrarian model of church where the focus is on the local the tangible and the communal Out of such a model emerges a new approach to preaching Both congregation members and preachers themselves will find themselves called to turn away from sermons that echo the promises of an individualistic consumer culture and to proclaim instead Jesus Christ in the midst of the local community
