

A woman with long, flowing red hair is floating underwater, wearing a white, ethereal, sleeveless dress that billows around her. She is positioned diagonally across the frame, with her head tilted back and eyes closed. The water is a deep, clear blue, and light rays filter down from above, creating a dreamlike atmosphere.

The Mermaids Daughter:

Me-Shell Sandi White,2020-03-03 Me Shell loved to swim and often dreamed of being a mermaid Although she believed that mermaids were real she never thought that she might be one When she was a baby she was found on a beach on the small island of Montserrat Her friends thought that she was human because she had legs On her sixteenth birthday Me Shell went swimming disappeared under the water and didn't come back Her family and friends were afraid that she was gone forever but they are in for a surprise

The Mermaid's Daughter Ann Claycomb,2017-03-07 A modern day expansion of Hans Christian Andersen's *The Little Mermaid* this unforgettable debut novel weaves a spellbinding tale of magic and the power of love as a descendent of the original mermaid fights the terrible price of saving herself from a curse that has affected generations of women in her family Kathleen has always been dramatic She suffers from the bizarre malady of experiencing stabbing pain in her feet On her sixteenth birthday she woke screaming from the sensation that her tongue had been cut out No doctor can find a medical explanation for her pain and even the most powerful drugs have proven useless Only the touch of seawater can ease her pain and just temporarily at that Now Kathleen is a twenty five year old opera student in Boston and shows immense promise as a soprano Her girlfriend Harry a mezzo in the same program worries endlessly about Kathleen's phantom pain and obsession with the sea Kathleen's mother and grandmother both committed suicide as young women and Harry worries they suffered from the same symptoms When Kathleen suffers yet another dangerous breakdown Harry convinces Kathleen to visit her hometown in Ireland to learn more about her family history In Ireland they discover that the mystery and the tragedy of Kathleen's family history is far older and stranger than they could have imagined Kathleen's fate seems sealed and the only way out is a terrible choice between a mermaid's two sirens the sea and her lover But both choices mean death Haunting and lyrical *The Mermaid's Daughter* asks how far we will go for those we love And can the transformative power of music overcome a magic that has prevailed for generations

Re-visiting Female Evil Melissa Dearey,Susana Nicolás,Roger Davis,2017-08-28 Reflecting current trends in scholarly analysis of evil and the feminine the chapters contained in *Re-visiting Female Evil* focus upon various re-interpretations of evil femininities as a cultural signifier of agency transgression and crisis re-interpreting them through rewriting of other stories hermeneutic re-interpretations of ancient classical texts and revised film stage adaptations These papers illustrate how gendered cultural myths of women's intrinsic connection to evil still persist in today's patriarchal society though in variant and updated forms Mischievous beguiling seductive lascivious unruly carping vengeful and manipulative from the Disney princess to the murderous Medea these authors grapple with our understanding of what it is to
