The Theology of the Levitical Priesthood Nicholas J. Haydock, 2015-06-30 In this book Nicholas Haydock explores the biblical presentation of the Levitical priesthood drawing out themes that run throughout Scripture and reveal God's intention for the priesthood It is successfully argued that this intention cannot be divorced from God's desire to reveal himself to the nations This hypothesis is shown to be true in examining the various functions and metaphors ascribed to the Levites Whereas in much of Old Testament criticism the Levitical priesthood has been painted in a light contrary to the biblical depiction The Theology of the Levitical Priesthood takes the canonical presentation of the Levites at face value It is the author's conviction that in attending to the biblical presentation of the Levites the Church will be aided and better equipped to apply herself to Scripture and to participate within God's mission in the present day

Walton, Roy Gane, Daniel I. Block, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **Words That Heal** Joni Sancken, 2019-04-02 Soul wounds are pervasive in our world with a range of origins and characteristics The field of trauma theory provides tools to unpack the dynamics associated with these wounds Preaching with empathy for wounded souls can
