strengthening the criminalization of abortion and worked with feminists of that era to do so And it was men not women who drove the campaign that led to the 1973 Supreme Court ruling giving women an unqualified right to end the lives of their pre born children So what s in it for men As feminist legal scholar Catharine MacKinnon observes abortion does not liberate women it frees male sexual aggression Abortion is the ultimate get out of jail free card for men with non committal sex lives Another agenda is at work as well Men use abortion to advance their racist eugenic and population control dreams and schemes as Fisher shows citing their own words And if men gave us abortion men can end it as well Fisher outlines why and how and urges men to take up the task with courageous women He lays out a five point plan for men to with humility faithfulness and relentless perseverance commit our time resources energy heart and testimony to ending abortion in America *The East Coast Bed & Breakfast Guide* Roberta Homan Gardner,1984
