**Red Juice: Poems 1998-2008** Hoa Nguyen, 2014-09-02 A collection of early poems rare or out of print by Hoa Nguyen a poet who tersely cracks the shell of dailiness Wild Juice Ashley Mace Havird, 2021-03-03 In Wild Juice the poet and novelist Ashley Mace Havird confronts global and personal change Her subjects range from the extinction of a prehuman species to the present day reduction in sea life due to the climate crisis Closer to home she confronts the death of her father and her own aging Running throughout these lyrics of loss is the richness of communal life a current of hope given substance by the juice of wild grapes that baptizes the poet's chin and that of her elderly father whose presence haunts the book Havird's poems move from sea coasts to the rural South to landlocked suburbia in language characterized by wit pluck and ironic candor Through striking evocations of the natural world conveyed in a voice steeped in mature human experience Wild Juice speaks memorably on behalf of a life that embraces us all Hector's Juice Peter White, 2011-01-08 This is a great American novel However the story of Hector's Juice starts long before America was a country In fact it starts long before any history was written about anything It starts at the very beginning of time and fast forwards to evolution and the beginnings of mankind But evolution also has a spiritual side and that's where Spencer the very first guardian angel comes in He will take you from the beginnings of man in the Great Rift Valley of Africa to the lime colored gas chamber of San Quentin State Penitentiary in California From the beginnings of surfing not in Hawaii to the gunfight at the OK Corral this is a great American novel that is neither restricted to time or space Juice! Ishmael Reed, 2011-04-05 In 2010 the Newseum in Washington D C finally obtained the suit O J Simpson wore in court the day he was acquitted and it now stands as both an artifact in their Trial of the Century exhibit and a symbol of the American media's endless hunger for the criminal and the celebrity This event serves as a launching point for Ishmael Reed's Juice a novelistic commentary on the post Simpson American media frenzy from one of the most controversial figures in American literature today Through Paul Blessings a censored cartoonist suffering from diabetes and his cohorts serving as stand ins for the various mediums of art Ishmael Reed argues that since 1994 O J has become a metaphor for things wrong with culture and politics A lament for the death of print media the growth of the corporation and the process of growing old Juice serves as a comic tragedy chronicling the increased anxieties of post race America The Routledge Dictionary of Modern American Slang and Unconventional English Tom
