Blackfeet Tales from Apikuni's World James Willard Schultz,David C. Andrews,2017-08-16 At the turn of the twentieth century James Willard Schultz wrote a series of tales centering on the adventures of a Blackfoot Indian boy and his Anglo friend in the days just prior to the end of the buffalo era on the western plains All the tales appeared between 1910 and 1927 in the pages of the popular family weekly *The Youth's Companion* The stories featured the sort of spirited adventure popular at the time but Schultz was more conscientious than other writers of the day in his depiction of American Indian life Schultz first encountered the Blackfeet in Montana Territory in 1877 when he was seventeen and he lived among them for the next

seventy years until his death These tales are based on his experiences with the Blackfeet who gave him the name Apikuni Apikuni plays a role in many of the stories usually under the name Spotted Robe Although he was neither a historian nor an ethnologist Schultz filled his stories with history and with detailed descriptions of the Blackfoot daily life and culture David C Andrews has gathered these tales the last of Schultz s to be published in book form and arranged in the order in which they were written

Boys Book of Frontier Fighters Lily F. Wesselhoeft, 2022-12-30 Excerpt: The BOYS BOOK OF INDIAN WARRIORS told of the deeds by the red Americans in defense of their lives and to keep their homes. This second book tells of the deeds by the white Americans in defense of their lives and also to clear the way for their homes. It commences with the pioneers and hunters in the East and continues on to the frontiersmen and soldiers in the West. These are stories of bravery and of pluck amidst great odds. In many of the stories, victory was won by the aid of powder ball and steel used manfully. In others, it was won by sheer nerve and wit alone. For a good fighter fights with his heart and head as fully as with his hands. Americans have always been great fighters when called upon to fight in self-defense. They never quit until they are killed or triumphant, and although many may be killed, those they leave press forward again. In France, the Americans never gave up an inch. We Americans of today, looking back, may be proud not only of the part played by our blood in the World War but likewise of the part it played in the days when rifle in hand we were hewing the peace trail in our own country. Clothes do not make the soldier. Whether in buckskin, wool, cotton gown, or army uniform, those men and women, yes, and boys and girls of frontier times in the forest and upon the plains and prairies, were soldiers all enlisted to face danger. It is largely the quick, dauntless spirit inherited from the American pioneers, hunters, and Indian fighters of the old days that shone so brightly in the recent days when in record time we raised a gallant army of fighters at home and abroad against a desperate enemy. **Boy's Book of**
