Sleeping Murder The Murder At The Vicarage:

Sleeping Murder Agatha Christie, 1958 **Sleeping Murder At the Vicarage** Agatha Christie, **Sleeping Murder and the Murder at the Vicarage** Agatha Christie, 1930 *Sleeping Murder, The Murder at the Vicarage* Agatha Christie, 1976 **The Agatha Christie Companion** Russell H. Fitzgibbon, 1980 Russell H Fitzgibbon presents a short history of Dame Agatha's life criticism of her works and a summary of how critics and reviewers view her work Includes a bibliography of all the works of Christie published in either Great Britain or the United States classified according to the detectives involved an alphabetical list of Christie detective and mystery book and short story titles a short story finder for Christie collections and an index of all but the least important of the thousands of characters introduced by the author in the detective and mystery short stories and novels Henry Green Peter Wolfe, 2017-11-28 By mid career many successful writers have found a groove and their readers come to expect a familiar consistency and fidelity Not so with Henry Green 1905-1973 He prefers uncertainty over reason and fragmentation over cohesion and rarely lets the reader settle into a nice cozy read Evil he suggests can be as instructive as good Through Green's use of paradoxical and ambiguous language his novels bring texture to the flatness of life making the world seem bigger and closer We soon stop worrying about what Hitler's bombs have in store for the Londoners of *Caught* 1943 and *Back* 1946 and start thinking about what they have in store for each other Praised in his lifetime as England's top fiction author Green is largely overlooked today This book presents a comprehensive analysis of his work for a new generation of readers Sleeping Murder Agatha Christie, 2006 Soon after Gwenda moves into her new home odd things start to happen Despite her best efforts to modernise the house she only succeeds in dredging up its past Worse she feels an irrational sense of terror every time she climbs the stairs Terrified Gwenda turns to Jane Marple to exorcise her ghosts Between them they try to solve a perfect crime committed many years before **Miss Marple's Last Case Sleeping Murder** Agatha Christie, 1958 *Sleeping Murder* becomes even more meaningful when presented along with Miss Marple's first adventure *The Murder at the Vicarage* in which she must discover which of the numerous persons who confess to a seemingly impossible murder is guilty of the crime **English Crime Stories**, 2014 Sleuthing Miss Marple Desirée Prideaux, 2022-06-15 *Sleuthing Miss Marple* mirrors the structure and playful analytic style of a detective novel Beginning at the scene of the crime this investigation places Agatha Christie and the clue puzzle in historical context casting light on the methods the motives and in a sense the alibis that underpin Christie's crime fiction In keeping with the clue puzzle analytical method devised for this book each chapter builds towards a conclusion that delivers a surprising intellectual payoff This enquiry is unapologetically textual in approach It constructs a rigorous evidence base drawn from the Marple short stories and novels and presents a useful interpretation of crime fiction scholarship This provides a foundation for original literary analyses that reveal Christie's engagements with gender roles and genre rules and the sleights of hand that they conceal Christie's modus operandi is uncovered as are the narrative strategies

and literary devices that she deployed to ambush unwary readers Crucially this investigation shows how Christie s ingenious methods made it possible for an elderly spinster to get away with solving murder Sleuthing Miss Marple will be invaluable for students and researchers of crime fiction twentieth century literature and creative writing **Murder in the Mews** Agatha Christie,2013-07-30 Agatha Christie s classic Murder in the Mews presents a mystifying criminal conundrum that will seriously test the superior detecting skills of the unflappable Hercule Poirot Barbara appears to have committed suicide while her flatmate was away for the weekend But how did a woman holding a pistol in her right hand manage to shoot herself in the left temple Inspector Japp calls for the assistance of Hercule Poirot Murder in the Mews is a miniature classic of characterization incident and suspense **Dining Room Detectives** Silvia Bauckova,2015-09-04 In the structuralist understanding as proposed by John G Cawelti a classical detective novel is defined as a formula which contains prescribed elements and develops in a predefined ritualistic manner When described in this way the crime fiction formula very closely resembles a recipe when one cooks they also add prescribed ingredients in a predefined way in order to produce the final dish This surprising parallel serves as the starting point for this book s analysis of classical detective novels by Agatha Christie Here a structuralist approach to Golden Age crime fiction is complemented by methodology developed in the field of food studies in order to demonstrate the twofold role that food plays in Christie s novels namely its function as an element of the formula a literary device but also as a cultural sign Christie employed food on various different levels of her stories in order to portray characters construct plots and depict settings What is more incorporating domesticity and food in her novels helped her fundamentally alter the rigid conventions of the crime fiction genre as it developed in the nineteenth century and enabled her to successfully introduce the character of the female detective and to feminise the detective novel as such

Burial Plots in British Detective Fiction Lisa Hopkins,2021-01-24 Burial Plots in British Detective Fiction offers an overview of the ways in which the past is brought back to the surface and influences the present in British detective fiction written between 1920 and 2020 Exploring a range of authors including Agatha Christie Patricia Wentworth Val McDermid Sarah Caudwell Georgette Heyer Dorothy Dunnett Jonathan Stroud and Ben Aaronovitch Lisa Hopkins argues that both the literal and literary disinterment of the past use elements of the national past to interrogate the present As such in the texts discussed uncovering the truth about an individual crime is also typically an uncovering of a more general connection between the present and the past Whether detective novels explore murders on archaeological digs hauntings cold crimes or killings at Christmas Hopkins explores the underlying message that you cannot understand the present unless you understand the past **Critical Essays on English and Bengali Detective Fiction** Debayan Deb Barman,2022-02-28 Critical Essays on English and Bengali Detective Fiction brings together three strains of detective fiction British American and Bengal The import of detective fiction from Britain has influenced generations of writers of Bengali detective fiction In this anthology of critical essays by scholars on detective fiction we have divided the contents into three groups First there are

essays on classic British detective fiction with essays on Charles Dickens Wilkie Collins Arthur Conan Doyle Agatha Christie P D James Kate Atkinson and Margery Allingham The second section is on American hard boiled fiction with essays on Dashiell Hammett and Raymond Chandler The third section is on Bengali detective fiction with essays on Hemendra Kumar Roy Saradindu Bandyopadhyay and Satyajit Ray Together these essays bring three strains of detective fiction into conversation to show the gradual postcolonial attempt of Bengali detective fiction to outgrow colonial influences and create an original and organic tradition of regional and vernacular detective fiction

Agatha Christie M. Makinen,2006-10-10 Christie s books depict women as adventurous independent figures who renegotiate sexual relationships along more equal lines Women are also allowed to disrupt society and yet the texts refuse to see them as double deviant because of their femininity This book demonstrates exactly how quietly innovatory Christie was in relation to gender

The Murder on the Links Agatha Christie,2020-03-24 Agatha Christie taught me many important lessons about the inner workings of the mystery novel before it ever occurred to me that I might one day be writing mysteries myself Sue Grafton 1 New York Times bestselling author of the Kinsey Millhone novels In this official edition featuring exclusive content from the Queen of Mystery Hercule Poirot is called upon to solve a murder on a French golf course An urgent cry for help brings Poirot to France But he arrives too late to save his client whose brutally stabbed body now lies face downwards in a shallow grave on a golf course But why is the dead man wearing his son s overcoat And who was the impassioned love letter in the pocket for Before Poirot can answer these questions the case is turned upside down by the discovery of a second identically murdered corpse With twists and turns until the final satisfying conclusion The Murder on the Links once again does not disappoint the legion of Agatha Christie fans

A Seven Year Cycle Reading Plan C.S. Fairfax,2018-02-13 Read through time enjoying the good the better and the best books from each of the seven eras below Year 1 Ancient History to 476 A D Year 2 The Middle Ages 477 to 1485 A D Year 3 The Age of Discovery 1485 1763 A D Year 4 The Age of Revolution 1764 1848 A D Year 5 The Age of Empire 1849 1914 A D Year 6 The American Century 1915 1995 A D Year 7 The Information Age 1996 Present Day At the end of seven years repeat A Seven Year Cycle Reading Plan is a booklist compiled of hundreds of books from each era in history organized into categories of interest This volume also includes copious room for you to add your own favorite titles

The Complete Christie Matthew Bunson,2000-09 Painstakingly researched this illustrated reference captures the spirited imagination of Dame Agatha and the intriguing atmosphere of her tales Includes a comprehensive Christie biography cross referenced with plot synopses and character listings Photos throughout

The Detective Novels of Agatha Christie James Zemboy,2016-03-15 The most popular mystery writer of all time concocted a rich recipe of intrigue character and setting All of Agatha Christie s 66 detective novels are covered here in great detail Each chapter begins with general comments on a novel s geographical and historical setting identifying current events fashions fads and popular interests that relate to the story A concise plot summary and comprehensive character listing follow and each novel is discussed within Christie s overall

body of work with an emphasis on the development of themes narrative technique and characters over the course of her prolific career An appendix translates Poirot s French and defines the British idiomatic words and phrases that give Christie s novels so much of their flavor Agatha Christie J.C. Bernthal,2022-08-25 The undisputed Queen of Crime Dame Agatha Christie 1890 1976 is the bestselling novelist of all time As the creator of immortal detectives Hercule Poirot and Jane Marple she continues to enthrall readers around the world and is drawing increasing attention from scholars historians and critics But Christie wrote far beyond Poirot and Marple A varied life including war work archaeology and two very different marriages provided the backdrop to a diverse body of work This encyclopedic companion summarizes and explores Christie s entire literary output including the detective fiction plays radio dramas adaptations and her little studied non crime writing It details all published works and key themes and characters as well as the people and places that inspired them and identifies a trove of uncollected interviews articles and unpublished material including details that have never appeared in print For the casual reader looking for background information on their favorite mystery to the dedicated scholar tracking down elusive new angles this companion will provide the most comprehensive and up to date information
