The Slender Thread Yvonne Whittal, 1976 *No One Knows When It's a Good Day* Thomas Starnes, 2014-09-26 To call this simply a book of sermons does not do it justice They are sermons preached over a thirty five year period to differing congregations but they are also lessons on life and living Biblically based to be sure but the scriptures are filtered through a mind steeped in the classics open to what's going on in the world and not afraid to raise questions that challenge the very faith that is being preached Although Rev Starnes is known for his preaching skills he is primarily a writer who as someone says knows how to string words together A note worthy comment made when considering his book is what one said He writes for the ear **A Slender Thread** Iris Bromige, 1999 **The Whispers Know My Name** Margaret A. Renner Ph. D., 2012-10 From her early childhood episodes to her most recent encounters she depicts how the Whispers have provided inspiration insight strength and courage as she attempts to shape her existence The text provides not only a step by step process but memoirs that allow the process and application to unfold as historic events The author's purpose is to leave a legacy of wonder about how these historic events establish maintain and sustain an on going dialectic which ultimately determines one's destiny This text is the completion of a trilogy The author revisits the substance of the dialectic in the prior texts so there is no need to have read those texts to follow the process events and outcomes depicted in the text The Whispers were introduced in the first text Called by Many Names The nature of the conversation involves mental discourse listening reflection and contemplation For many her relationship with the Whispers may appear to be unique but what makes this text unique is the way and means used by the author to present her experiences She glides effortlessly through the literary elements and genre styles as she captures one's interest *Transactions of the Wagner Free Institute of Science of Philadelphia* Wagner Free Institute of Science, 1910 *CHAMBERS'S TWENTIETH CENTURY DICTIONARY OF THE ENGLISH LANGUAGE* REV. George Roy Hill and Sidney Lumet and with them he helped develop a contemplative style of filmmaking that was almost European in its approach but retained its commercial viability Film by film this work examines the directorial career of Sydney Pollack One finds that his style is marked by deliberate pacing ambiguous endings and metaphorical love stories Topically Pollack's films reflect social culture and political dilemmas that hold some fascination for him with multidimensional characters in place that generally break the stereotypical molds of the situations Pollack's directing efforts on television are also detailed as are his production and acting credits *Campus Life in the Movies* John E.
