Winds of Mercy Charles E. Miller, 2010-02-23 If you read one of these stories you have not read them all as is the case in a communist country where the state creates an ersatz society of act alike who conform to prevailing doctrines Propaganda is the result These stories are the result of a life of freedom in our great nation where freedom never being put down by the State is still the expression of mans deepest desires to be like God Insofar as the unique individual shares creative gifts he shares one of Gods attributes These stories perhaps only one hopefully more will exalt in that creative spirit Slumgullion Gold Alex Harold, 2000-01-01 Slumgullion Gold is the first book in a trilogy of western novels written in the Louis LAmour style set in Lake City Colorado With a hand forged pick and a six gun Big Jim Booker cut himself a place in the Slumgullion country and in the heart of Molly Mears He becomes so respected by the community that he is eventually elected as their sheriff to help protect the residents from notorious outlaws and murderers Publications of the Geological Survey
