Wube, 2018-01-20

Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government *Reaching a Generation for Christ* Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed The Truth has not The 1950 s are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today s kids are living in a vacuum unaffected by the changing morals of today s society How can we reach these kids with the truth of the gospel More than fifty of America s youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in

these uncertain times You can reach this generation for Christ A True Leader C.A.R.E.S Dr. Wain,2009-01-15 Do you have a desire or calling to lead and no idea where to begin or where you are headed Do you feel you must have a title or position to be a leader Have you been a pastor for years but not effective in developing your leadership team If any of this is trueXthis book is for you This book was not written exclusively for church leadership It will examine leadership principles that are pertinent in every area of life Step by step it will guide you through the process of personal leadership development It is guaranteed to give everyone who is serious about leadership useful tools and incentives to transform lives In Part I it will introduce and define a new term with an old flavorXLeadership Christianity Within its pages you will see how creating change and making good sound decisions are essential in your life as a leader Part II includes a detailed examination and application of the five most important characteristics of a leader who C A R E S Character Attitude Relationships Effective Communications Self Discipline The final chapters of Part III are geared toward action Showing you the leader how these principles can be utilized in your everyday life at home in your church and in your community Rev Wayne P Bowman DMin

Min.,2022-03-09 Leadership Training In Discipleship For Christians With Prior Drug and Alcohol Dependence This book is resultant of my Doctor of Ministry Research Project providing a means for leaders and teachers to learn dynamics to disciple Christians that had prior drug or alcohol dependence Before implementation of this dissertation I discovered that there was not a definitive manual to train individuals to facilitate or conduct discipleship programming exclusive and conducive to this group This book is not only meant to be academic the intent is to offer concise information and instruction to aid ministers pastors church laity and others delivering drug and alcohol rehabilitative pastoral care Further usage will aid participants in traditional church institution chaplaincy prison workplace and other faith based settings Fundamentally this book insinuates spiritual social and emotional suggestions for anyone desiring development in both personal and spiritual formation In addition this book will equip you with biblical principles and modalities to teach holistically These standpoints entail examination of a biblical philosophy of discipleship centered on the Great Commission

and Great Commandment in developing a comprehensive strategy involving a theological and practical study and teaching approach Throughout this study a small group format is emphasized for training and evaluation giving particular attention to Christ's model of discipleship with regards to facilitating and coaching This book will aid in revealing that the culture of the church consists of a unique group of Christians some whom have abused drugs or alcohol served time in prison and misunderstood in church ministries **"A" is for Abductive** Leonard I. Sweet, Brian D. McLaren, Jerry Haselmayer, 2003 A playful witty but substantive postmodern ministry for dummies type book that fills the huge and getting huger hunger for something in one volume that introduces basic concepts and vernacular of postmodern ministry **Planting Missional Churches** Ed Stetzer, 2006-05-01 Planting Missional Churches is an instruction book for planting biblically faithful and culturally relevant churches It addresses the how to and why issues of church planting by providing practical guidance through all the phases of a church plant while taking a missional look at existing and emerging cultures *Covenant Companion*, 1996 **Drama Team Handbook** Alison Siewert and others, 2003-09-15 Alison Siewert and her team of writers offer ideas for every aspect of drama ministry from why it's biblical to how to direct a performance from warm ups for actors to how to write your own sketches Includes 14 sketches you can reproduce in your ministry New Directions for Small-group Ministry Paul Borthwick, 1999 Six fresh easy to implement models help to build adult small groups that work including honest evaluations of the strengths and weaknesses of each Handbook for Creative Team Leaders Tudor Rickards, Susan Moger, 2017-07-05 Every worthwhile organization strives continuously to improve What the authors of this groundbreaking book offer is nothing less than a system for achieving peak performance As a result of their work with more than 2000 teams in some 40 countries across the globe the authors identified the 7 factors that distinguish what they call dream teams and on that basis they developed the structured approach described in the Handbook Part I sets out the principles that underlie team performance Part II shows how to train teams to become more creative Finally in Part III the authors demonstrate their ideas in action with real life examples from a wide variety of organizational settings They emphasize throughout the role of leadership in stimulating creativity and innovation and they explain how to inject new dynamism into existing organizational systems and practices Anyone involved in teamworking would profit from a close study of the Handbook It will be especially valuable to team leaders and facilitators to project managers and to HRD practitioners and consultants **PARGURUAN DAN PARJUMATANGANAN: Elaborasi Konstruktif Eklesiologi GKPS** Parulihan Sipayung, 2025-05-05 Parjumatanganan membantu setiap pelayan semakin mengenal warga yang menjadi jumatanganannya secara pribadi dan pergumulan yang dialami serta bertumbuh bersama dalam Kristus Meski demikian masih sedikit bahan bacaan untuk memahami hal tersebut Oleh karena itu kehadiran buku ini menjadi semacam bekal untuk setiap pelayan semakin memahami apa itu parjumatanganan mengapa itu menjadi sesuatu yang penting bagaimana caranya dan apa dampaknya Pdt Dr Deddy Fajar Purba Ephorus GKPS Parjumatanganan adalah suatu aksi nyata pelayanan yang sangat
